

## Ball® Fresh Preserving Celebrates the 135th Anniversary of the Ball® Jar with Newly Released Vintage Jars and New Canning Recipes

June 5, 2019

**New products and recipes will inspire foodies and home canners everywhere to create seasonal flavors that cannot be bought in a store**

FISHERS, Ind., June 5, 2019 /PRNewswire/ -- Today, Ball® Fresh Preserving is celebrating 135 years of Ball® Jars helping foodies and home canners everywhere bring fresh, fun flavors to the kitchen. This celebration is marked by the reintroduction of the brand's vintage aqua blue jars, the creation of new recipes, and the launch of additional new canning products just in time for peak produce season.

The 2019 products that are joining the Ball® Fresh Preserving family include:

- The [Collector's Edition Ball® Aqua Vintage Jars](#) are designed with the aesthetics of the past. The rounded shoulders, aqua color and Ball® logo date back to usage from 1910-1923. Ball® Aqua Vintage Jars are available in [Half Pint](#), [Pint](#), and [Quart](#) Sizes.
- For anyone new or aspiring to try home canning, the new [Ball® Preserving Starter Kit](#) is an all-in-one solution designed for first time canners that includes all the essential tools for easy preserving.
- The new [Ball® Leak-Proof Storage Lids](#) are perfect for anyone who loves using Ball® Jars for carrying food and drinks on-the-go. The lids are also freezer safe for jams, sauces and soups, and the airtight seal is perfect for storing herbs and spices.
- Home canners will also enjoy the new [Ball® Utensil Set](#), which is a convenient solution for the existing canner who is looking for replacement utensils.

To provide further inspiration, Ball® Fresh Preserving is also releasing a series of fun, seasonal recipes featuring unique flavors that cannot be purchased in the store, including [Peach Almond Jam](#), [Plum Habanero Salsa](#), and [Tomato Red Pepper Kasundi](#), and more.
