(1) Payable for each \$1,000 principal amount of Any and All Notes validly tendered at or prior to the Any and All Expiration Date and accepted for purchase by us. In addition, holders whose Any and All Notes are accepted will also receive accrued interest on such Any and All Notes.

(2) Includes \$862,000 aggregate principal amount of 2024 Notes that remain subject to guaranteed delivery procedures.

Payments for Any and All Notes accepted for purchase will also include accrued and unpaid interest from and including the last interest payment date applicable to the relevant series of Any and All Notes up to, but not including, the settlement date for the Any and All Notes tendered at or prior to the Any and All Expiration Date, which is currently expected to be on or about August 19, 2019 (the "Any and All Settlement Date"). For the avoidance of doubt, accrued interest will cease to accrue on the Any and All Settlement Date for all Any and All Notes accepted for purchase in the Any and All Offer, including those tendered pursuant to the guaranteed delivery procedures. The Company expects to accept for purchase, and pay for, all Any and All Notes validly tendered pursuant to guaranteed delivery procedures on or about August 21, 2019.

The Company does not currently intend to call for redemption the Any and All Notes not tendered and accepted for purchase in the Any and All Offer.

The "Maximum Waterfall Tender Amount" is an aggregate principal amount equal to \$700 million less the aggregate principal amount of the Any and All Notes validly

tendered and accepted for purchase in the Any and All Offer. Holders are urged to read the Offer Documents carefully before making any decision with respect to the Waterfall Offer.

Newell Brands' obligation to accept for payment and to pay for the Securities validly tendered in the Offers is subject to the satisfaction or waiver of the conditions described in the Offer Documents.
