Unique Colored Glass Vessels Create Décor Statement in Any Home

SOUTH DEERFIELD, Mass., Feb. 7, 2022 /PRNewswire/ -- The Yankee Candle Company, Inc., the leader in home fragrance, announces the launch of its new Studio Collection – a curated lineup of favorite Yankee Candle® fragrances in simple and sophisticated glass vessels with a sleek, geometric design in trending hues. Yankee Candle® fragrance experts designed the Studio Collection with a focus on creating a welcoming ambiance to fit seamlessly into any home.

"Fragrance is an essential element in a home, so we put a modern twist on our fan-favorite fragrances to enhance the vessel as a décor statement as well," said Anna Whitton, VP of Marketing for the Yankee Candle Company, Inc. "At Yankee Candle®, we are always keeping an eye on design trends, and the Studio Collection offers consumers a new way to experience their favorite fragrances in a stylish and unique vessel that can create a space where everyday moments feel special."

Each sophisticated, colored glass candle in the Studio Collection has a glossy exterior and is made with natural fiber wicks and essential oils mixed into a premium soy-wax blend.
