

Century™ Celebrates One Year Anniversary by Recognizing Notable Brand Milestones

April 4, 2022

Sustainable Baby Brand Reflects on One Year of Successes and Accomplishments

ATLANTA, April 4, 2022 /PRNewswire/ -- Century™, a modern-day baby brand featuring budget-friendly, simple and sustainable products is celebrating its first birthday this month. In honor of Earth Month and the brand's one year anniversary, Century is reflecting on major milestones throughout the past year.

Committed to helping create a happier world for the next generation, Century follows three pillars of purpose through their Do More™ Promise – recycle, reimagine and give back, which have acted as a compass since the brand's launch in April 2021. By acting on these values, Century has achieved many notable milestones throughout the past year including:

- Became the first and only baby gear brand to use fabrics made from recycled materials across its full product line by launching 19 simple and sustainable products through their Happy Planet Collection
- Recycled more than 600,000 water bottles through its sales of the Happy Planet Collection products
- Collected and recycled 2,030 pounds of baby products in partnership with TerraCycle®
- Partnered with and donated to COLAGE, an organization that supports families with LGBTQ+ parent(s), during PRIDE Month and LGBTQ+ History Month
- Received many exciting accolades, including two industry awards - Editor's Pick and Green/Environmentally Friendly - from the Juvenile Products Manufacturer Association (JPMA) for its Drive On™ 3-in-1 Car Seat
