

Newell Brands Announces Pricing Terms of its Tender Offers

October 16, 2018

HOBOKEN, N.J.--(BUSINESS WIRE)-- Newell Brands Inc. (NYSE:NWL) (the "Company" or "Newell Brands") announced today the pricing terms of its previously announced tender offers to purchase for cash (i) any and all of the Company's outstanding securities listed in Table I below (the "Any and All Notes") (such offer, the "Any and All Offer"), and (ii) up to \$650,000,000 in aggregate principal amount (the "Maximum Waterfall Tender Amount") of the Company's outstanding securities listed in Table II below (collectively, the "Waterfall Notes" and, together with the Any and All Notes, the "Securities"), subject to the tender cap specified in Table II below (the "2026 Notes Tender Cap") and the Acceptance Priority Levels as defined below (such offer, the "Waterfall Offer"). The Company also announced the principal amount of each series of Securities that it expects to accept pursuant to the tender offers, subject to the satisfaction of waiver of certain conditions, as described below. The tender offers are being made upon and are subject to the terms and conditions set forth in the Offer to Purchase, dated October 1, 2018, and the related Letter of Transmittal (as they may each be amended or supplemented from time to time, the "Tender Offer Documents").

The Company has also called for redemption of the remaining Any and All Notes not tendered in the Any and All Offer at the redemption price, plus accrued and unpaid interest to, but not including, November 9, 2018. After such redemption, together with the tender offers, the Company will have repurchased an aggregate principal amount of \$1,000,000,000 of its outstanding debt securities.

The Total Consideration for each series of Securities is payable to holders of the Securities who validly tendered and did not properly withdraw their Securities at or prior to 5:00 p.m., New York City time, on October 15, 2018 (the "Early Tender Deadline") and whose Securities are accepted for purchase by the Company. The Reference Yields listed in the tables below were determined at 11:00 a.m., New York City time, on October 16, 2018 (the "Price Determination Date") by the lead dealer manager. Payments for Securities purchased in connection with the Early Tender Deadline will also include accrued and unpaid interest from and including the last interest payment date applicable to the relevant series of Securities up to, but not including, the early settlement date for such Securities accepted for purchase, which is currently expected to be October 18, 2018 (the "Early Settlement Date").

Although the tender offers are scheduled to expire at midnight, New York City time, at the end of October 29, 2018, unless extended or terminated, because the Waterfall Offer was fully subscribed as of the Early Tender Deadline, the Company does not expect to accept for purchase any Waterfall Notes tendered after the Early Tender Deadline. Holders of Any and All Notes who validly tender such notes following the Early Tender Deadline and at or prior to the Expiration Date will only receive the applicable Tender Offer Consideration for Securities accepted for purchase, which is equal to the applicable Total Consideration minus an early tender premium of \$30. Securities not accepted for purchase will be promptly returned or credited to the holder's account. The withdrawal deadline of 5:00 p.m., New York City time, on October 15, 2018 has passed and, accordingly, Securities validly tendered in the tender offers may no longer be withdrawn except where additional withdrawal rights are required by law.
