October 1, 2018

HOBOKEN, N.J.--(BUSINESS WIRE)-- Newell Brands Inc. (NYSE:NWL) (the "Company" or "Newell Brands") announced today that it has commenced debt tender offers to purchase for cash (i) any and all of the Company's outstanding securities listed in Table I below (the "Any and All Notes") (such offer, the "Any and All Offer"), and (ii) up to \$650,000,000 in aggregate principal amount (the "Maximum Waterfall Tender Amount") of the Company's outstanding securities listed in Table II below (collectively, the "Waterfall Notes" and, together with the Any and All Notes, the "Securities"), subject to the tender cap specified in Table II below (the "2026 Notes Tender Cap") and the Acceptance Priority Levels as defined below (such offer, the "Waterfall Offer"). The tender offers are intended to allow the Company to repurchase the Securities and reduce the amount and cost of the Company's outstanding indebtedness. The Company expects to fund the tender offers with the proceeds from recently completed divestitures under the Company's Accelerated Transformation Plan, together with available cash on hand.

(1) The Total Consideration will be determined taking into account the par call date, if applicable, for such series of Securities.

(2) The 2026 Notes Tender Cap is the maximum aggregate principal amount of the 4.200% Notes due 2026 that will be purchased in the Waterfall Offer.

(3) The Total Consideration payable for each \$1,000 principal amount of Securities validly tendered at or prior to the Early Tender Deadline and accepted for purchase by us includes the applicable Early Tender Premium. In addition, holders whose Securities are accepted will also receive accrued interest on such Securities.

Subject to the Maximum Waterfall Tender Amount, the amounts of each series of Waterfall Notes that are purchased in the Waterfall Offer will be

determined in accordance with the acceptance priority levels specified in Table II above (the "Acceptance Priority Levels"), with 1 being the highest Acceptance Priority Level and 3 being the lowest Acceptance Priority Level. In addition, the aggregate principal amount of the Company's 4.200% Notes due 2026 that are purchased in the Waterfall Offer will not exceed the 2026 Notes Tender Cap, as specified in Table II above.

The tender offers are being made pursuant to, and are subject to the terms and conditions set forth in, the Offer to Purchase, dated October 1, 2018, and the related Letter of Transmittal (as they may each be amended or supplemented from time to time, the "Offer Documents"). The tender offers will expire at midnight, New York City time, at the end of October 29, 2018, unless extended or terminated (the "Expiration Date"). Tenders of Securities may be properly withdrawn at any time at or prior to 5:00 p.m., New York City time, on October 15, 2018, but may not be properly withdrawn thereafter, except where additional withdrawal rights are required by law.

Holders of Securities that are validly tendered and not properly withdrawn at or prior to 5:00 p.m., New York City time, on October 15, 2018 (unless extended, the "Early Tender Deadline") and accepted for purchase will receive the applicable Total Consideration, which includes the applicable early tender premium specified in the applicable table above (the "Early Tender Premium"). Holders of Securities who validly tender their Securities following the Early Tender Deadline and at or prior to the Expiration Date will only receive the applicable "Tender Offer Consideration" for Securities accepted for purchase, which is equal to the applicable Total Consideration minus the applicable Early Tender Premium.

The prices to be paid for each series of Securities subject to the tender offers and accepted for purchase will be determined at 11:00 a.m., New York City time, on the first business day following the Early Tender Deadline (as it may be extended with respect to the applicable offer, the "Price Determination Date"). Promptly after 11:00 a.m., New York City time, on the Price Determination Date, the Company will issue a press release specifying, among other things, the Total Consideration for each series of Securities and the aggregate principal amount of Securities validly tendered at or prior to the applicable Early Tender Deadline and accepted for purchase.

Payments for Securities purchased will include accrued and unpaid interest from and including the last interest payment date applicable to the relevant series of Securities up to, but not including, the applicable settlement date for such Securities accepted for purchase.

If the Waterfall Offer is not fully subscribed as of the Early Tender Deadline, subject to the 2026 Notes Tender Cap (if applicable) and the Maximum Waterfall Tender Amount, Waterfall Notes validly tendered and not properly withdrawn at or prior to the Early Tender Deadline will be accepted for purchase in priority to other Waterfall Notes tendered following the Early Tender Deadline, even if such Waterfall Notes tendered following the Early Tender Deadline have a higher Acceptance Priority Level than Waterfall Notes tendered at or prior to the Early Tender Deadline.

Waterfall Notes of a series may be subject to proration if the aggregate principal amount of the Waterfall Notes of such series validly tendered and not properly withdrawn would cause the 2026 Notes Tender Cap (if applicable) or the Maximum Waterfall Tender Amount to be exceeded. Furthermore, if the Waterfall Offer is fully subscribed as of the Early Tender Deadline, holders who validly tender Waterfall Notes following the Early Tender Deadline will not have any of their Waterfall Notes accepted for purchase.

Newell Brands' obligation to accept for payment and to pay for the Securities validly tendered in the tender offers is subject to the satisfaction or waiver of the conditions described in the Offer to Purchase.

The Company also intends to call for redemption any and all of its 2.875% Notes due 2019 (the "2019 Notes") not tendered in the Any and All Offer in accordance with the terms and at the redemption price, plus accrued and unpaid interest to, but not including, the date of redemption, stated in the 2019 Notes and the indenture governing the 2019 Notes. The Company may deliver such notice at any time prior to the Expiration Date. However, no assurance can be given that such 2019 Notes will be redeemed as contemplated or at all. Neither the Offer to Purchase nor the accompanying Letter of Transmittal constitute a notice of redemption.
