- (3) As reported by Global Bondholder Services Corporation, the tender and information agent for the tender offers.

Pursuant to the terms of the Waterfall Offer, the amount of each series of Waterfall Notes that are purchased will be determined in accordance with the acceptance priority levels specified in Table II above (the “Acceptance Priority Levels”), with 1 being the highest Acceptance Priority Level and 7 being the lowest Acceptance Priority Level. In addition, the maximum aggregate principal amount of the Company’s 4.700% Notes due 2020 purchased in the tender offer will not exceed the 2020 Notes Tender Cap, as specified in the table above.

Holders of Securities that were validly tendered and not properly withdrawn at or prior to the Early Tender Deadline and accepted for purchase will receive the applicable Total Consideration which includes the

applicable Early Tender Premium specified in the tables above. Payments for Securities purchased will include accrued and unpaid interest from and including the last interest payment date applicable to the relevant series of Securities up to, but not including, the applicable settlement date for such Securities accepted for purchase. The settlement date for securities tendered at or prior to the Early Tender Deadline and accepted for purchase is expected to be March 28, 2017. The Company expects to issue a press release on March 27, 2017 announcing the Total Consideration payable in connection with the tender offers.

Although the tender offers are scheduled to expire at midnight, New York City time, at the end of April 7, 2017, unless extended or terminated (the “Expiration Date”), because the Waterfall Offer was fully subscribed as of the Early Tender Deadline, the Company does not expect to accept for purchase any Waterfall Notes tendered after the Early Tender Deadline. Securities not accepted for purchase will be promptly returned or credited to the holder’s account. Holders of Any and All Notes who validly tender such notes following the Early Tender Deadline and at or prior to the Expiration Date will only receive the applicable Tender Offer consideration, which is equal to the applicable Total Consideration minus the applicable Early Tender Premium. The Company has also called for redemption any and all of its Any and All Notes not tendered in the Any and All Offer at the redemption price, plus accrued and unpaid interest to, but not including, April 13, 2017 (the “Redemption Date”).

Newell Brands’ obligation to accept for payment and to pay for the Securities validly tendered in the tender offers is subject to the satisfaction or waiver of the conditions described in the Offer to Purchase.

Citigroup Global Markets Inc. and Goldman Sachs & Co. are acting as the dealer managers for the tender offers. The information agent and tender agent is Global Bondholder Services Corporation. The full details of the tender offers, including complete instructions on how to tender Securities, are included in the Tender Offer Documents. Holders are strongly encouraged to read carefully the Tender Offer Documents, including materials incorporated by reference therein, because they will contain important information. Copies of the Tender Offer Documents and related offering materials are available by contacting the information agent at (212) 430-3774 (banks and brokers) or (866)-807-2200 (all others). Questions regarding the tender offers should be directed to Citigroup Global Markets Inc., Liability Management Group, at (212) 723-6106, (800) 558-3745 (toll-free) or Goldman Sachs & Co., Liability Management Group, at (212) 902-6595 or (800) 828-3182 (toll-free).

None of the Company or its affiliates, their respective boards of directors, the dealer managers, the tender and information agent or the trustees with respect to any Securities is making any recommendation as to whether holders should tender any Securities in response to any of the tender offers, and neither the Company nor any such other person has authorized any person to make any such recommendation. Holders must make their own decision as to whether to tender any of their Securities, and, if so, the principal amount of Securities to tender.

This news release shall not constitute an offer to sell, a solicitation to buy or an offer to purchase or sell any securities. The tender offers are being made only pursuant to the Offer to Purchase and only in such jurisdictions as is permitted under applicable law.
