Explanation of Responses:

- The Reporting Person will become eligible for vesting of the entire option award when the Company's closing stock price (as reported on the Nasdaq Stock Exchange) for any 30 continuous calendar day period between the 18 calendar month and third anniversary of the grant date exceeds 125% of the closing stock price of the Company's common stock on July 29, 2019 (the "Performance Criteria"). Upon the Performance Criteria being met, the options shall vest and become exercisable in 3 equal installments on the 18 month, second and third anniversaries of the Reporting Person's grant date. If the Performance Criteria have not been satisfied as of any of the aforementioned vesting dates, then vesting for the portion of the option otherwise scheduled to vest on such vesting date will occur on the fifth business day following the date on which the Performance Criteria are satisfied.
- Options expire on the tenth anniversary of the grant date. If the reporting person's employment with the Company terminates due to death, disability or retirement, then the options shall continue to vest as stated above, subject to the Performance Criteria, and shall instead expire on the third anniversary of the later of the reporting person's: (i) termination of employment or (ii) applicable vesting date, provided that any such date shall occur prior to the tenth anniversary of the grant date.
