Explanation of Responses:

- Pursuant to the 2008 Deferred Compensation Plan, as amended (the "DCP"), non-employee directors who earn quarterly cash retainer fees for their services on the Company's Board may elect to defer receipt of their quarterly cash fees until after the end of the director's service on the Board, and to direct the investment of the deferred cash into phantom stock units which track the performance of the Company's Common Stock for the duration of the deferral period. The number of phantom stock units so acquired is calculated by dividing the deferred cash retainer amount by the closing price for the Company's Common Stock on the date the cash retainer is payable. Each unit is the economic equivalent of one share of Common Stock of the Company.
- Dividends payable on the Company's Common Stock also accrue with respect to phantom stock units, and phantom stock units are subject to dividend reinvestment during the deferral period.
- The aggregate value of the phantom stock units, including any additional phantom stock units acquired through dividend reinvestment during the deferral period, will be paid out in cash to the reporting person after the end of his service on the Board. At such time, the cash value of all of the phantom stock units will be calculated based on the closing price for the Company's Common Stock on the payment date, in accordance with the DCP and the reporting person's elections for his director compensation for the year in which the units were earned, which elections are on file with the Company.
- These phantom stock units represent the reporting person's fourth quarter 2021 director fees issued to the reporting person on November 1, 2021, based on the Company's closing price per share on that date of \$23.56
- At the end of the deferral period, the cash value of the phantom stock units will be calculated based on the closing price for the Company's Common Stock on the payment date, in accordance with the DCP and the reporting person's elections for his director compensation for the year in which the units were earned, which elections are on file with the Company
- The reporting person has elected to defer settlement of the cash value of the phantom stock units until after the end of his service on the Board of the Company, pursuant to the terms of the DCP.
