PART I

Item 1. Business  
-----

"Newell" or the "Company" refers to Newell Co. alone or with its wholly-owned subsidiaries, as the context requires.

GENERAL  
-----

Newell is a manufacturer and full-service marketer of high-volume consumer products serving the needs of volume purchasers. The Company's basic strategy is to merchandise a multi-product offering of brand-name consumer products, with an emphasis on excellent customer service, in order to achieve maximum results for its stockholders. Each group of the Company's products is manufactured and sold by a subsidiary or division (each referred to herein as a "division," even if separately incorporated).

The Company manages the activities of its divisions through executives at the corporate level, to whom the divisional managers report, and controls financial activities through centralized accounting, capital expenditure reporting, cash management, order processing, billing, credit, accounts receivable and data processing

operations. The production and marketing functions of each division, however, are conducted with substantial independence. Each division is managed by employees who make day-to-day operating and sales decisions and participate in an incentive compensation plan that ties a significant part of their compensation to their division's return on assets and sales growth. The Company believes that this allocation of responsibility and system of incentives fosters an entrepreneurial approach to management that has been important to the Company's success.

#### INDUSTRY SEGMENTS

-----

Since the beginning of 1993, after the sale of its closures business on December 31, 1992, over 90% of the Company's revenues are derived from consumer products and, as such, the Company operates in a single industry segment. Prior to 1993, the Company operated in two industry segments, Consumer Products and Industrial Products.

Consumer Products are sold through a variety of retail and wholesale distribution channels. Industrial Products were sold directly and through distributors. Intersegment sales were not material.

4

ENCHANTE(r) and SOFTLIGHT(r). LouverDrape sells primarily under the LouverDrape name including sales direct to fabricators, such as stock components, and also under the CAROUSEL(r) and GOLDEN TOUCH(r) trade names.

Levolor's principal facility is in Greensboro, North Carolina. Levolor has a total of 15 manufacturing facilities in the United States and two in Canada.

The combined Sanford operation manufactures permanent/waterbase markers, rolling ball pens, wood-cased pencils, highlighters, porous tip pens, dry erase markers and overhead projector pens. Sanford manufactures its own inks and assembles products in its manufacturing location in Bellwood, Illinois, manufactures wood-cased pencils in Lewisburg, Tennessee and imports other writing instruments. Sanford products are sold in the mass market and via traditional commercial office products channels. Principal trade names are SHARPIE(r), UNIBALL(r), EBERHARD FABER(r), VIS A VIS(r), EXPO(r), MAJOR ACCENT(r), EXPRESSO(r), MONGOL(r), ECOWRITER(r), PINK PEARL(r), VELVET(r) and AMERICAN(r). Amerock markets its products directly and through distributors, using its own sales force and a complement of manufacturers' representatives.

OTHER. EZ Painttr - manual paint applicator products; BernzOmatic - propane and propane/oxygen hand torches and accessories; and Bulldog - household hardware.

## MARKETING AND DISTRIBUTION

-----

During 1994, sales to Wal-Mart Stores, Inc. and subsidiaries amounted to approximately 15% of consolidated sales; each of the Company's other customers, individually, amounted to less than 10%.

Most of the Company's customers are retailers who rely on a single or principal source of each of the consumer products that they sell. Accordingly, the divisions focus their marketing effort not on the ultimate consumer, but on the retailer, and compete with other suppliers for business. The Company's strategy is to emphasize excellent customer service, innovative merchandising programs and a quality multiproduct offering. The Company's computerized order

processing system allows it to receive orders from its customers on a computer-to-computer basis. This system, and the ability to fill and ship orders promptly, are important competitive factors since they reduce a customer's order processing costs and allow the customer to minimize the inventory it must carry. The divisions maintain sales and service organizations to be responsive to the needs of their customers.

BACKLOG

-----

The dollar value of unshipped factory orders is not material.

SEASONAL VARIATIONS

-----

The divisions are only moderately affected by seasonal trends. Housewares products typically have higher sales in the second half of the year due to retail stocking related to the holiday season, Home Furnishings and Hardware products have higher sales in the second and third quarters due to an increased level of do-it-yourself projects completed in the summer months and Office Products have higher sales in the second and third quarters due to the back-to-school season. As a result of these moderate seasonal trends, the Company's consolidated quarterly sales do not fluctuate significantly.

NET SALES BY PRODUCT CLASS

The following table sets forth the amounts and percentages of the Company's net sales for the three years ended December 31, 1994 (including sales of acquired companies only from the time of acquisition), for the groups of similar products described previously.

#### ACQUISITIONS AND DIVESTITURES OF BUSINESSES

-----

At the foundation of the Company's growth strategy is acquisitions. Since the late 1960s, acquisitions have been the Company's primary vehicle for growth. Over the years, the Company has acquired more than 50 companies, and in the 1990s alone, the Company completed ten major acquisitions, representing nearly \$1.5 billion in additional sales.

Twenty-five years ago, the Company was a small drapery hardware manufacturer with \$20 million in sales. Today, the Company is an international consumer goods supplier with annualized sales of over \$2.5 billion. This dramatic growth is largely the result of using acquisitions as the vehicle to execute a multi-product offering strategy supported by internal growth from existing product lines.

In its acquisition planning, the Company looks for branded, staple product lines sold to volume purchasers. These product lines must have the potential to reach the Company's high standard of profitability, have a low technology level and a long product life cycle. In addition to adding entirely new product lines, acquisitions can be beneficial in rounding out existing businesses by filling gaps in the product offering, adding new customers and distribution channels and improving operational efficiency through shared resources.

The Company has typically acquired companies with unrealized profit potential. "Newellization" is the profit improvement and productivity enhancement process that is implemented to bring newly acquired product lines up to the Company's high standards of profitability.

Elements of the Newellization process at newly acquired companies include establishing a focused business strategy, improving customer service, building partnerships with customers, eliminating corporate overhead through centralization of administrative functions, trimming excess costs, tightening financial controls, improving manufacturing efficiency, pruning nonproductive product lines and reducing inventories, increasing trade receivable turnover and improving sales mix profitability through the application of program merchandising techniques.

As part of the Newellization process to improve profitability, sales can often decline as unprofitable product lines are reduced or eliminated. In the Newell strategy, once a company has been fully Newellized and is under good control, it is expected to begin building profitable sales and contribute to the Company's internal sales growth.

Additional information regarding acquisitions and divestitures of businesses is included in note 2 to the consolidated financial statements.

#### FOREIGN OPERATIONS

Canadian sales of the Company were approximately 6% of the Company's total net sales in 1994, 1993 and 1992. The Company's international division coordinates export sales of consumer products to all other foreign countries, totaling less than 3% of 1994 total net sales. Other foreign sales were less than 1% of the Company's total net sales in all three years.

All of the Company's products are sold by the Canadian subsidiaries; however, only decorative window coverings and furnishings, picture frames and home hardware are manufactured in Canada.

On November 30, 1994, the Company acquired the European consumer products business of Corning Incorporated (now known as Newell Europe). This acquisition included Corning's consumer products manufacturing facilities in England, France and Germany, the European trademark rights and product lines for Pyrex, Pyroflam and Visions brands in Europe, the Middle East and Africa, and Corning's consumer distribution network throughout these areas (Pyrex and Visions are registered trademarks of Corning Incorporated). Additionally, the Company became the distributor in Europe, the Middle East and Africa for Corning's U.S.-manufactured cookware and dinnerware brands.

#### RAW MATERIAL

The Company expects to have multiple sources of supply for substantially all of its material requirements. The raw materials and various purchased components required for its products have generally been available in sufficient quantities.

#### PATENTS AND TRADEMARKS

The Company has a number of patents and trademarks, none of which is considered material to the consolidated operations.

#### COMPETITION

The Company competes with a number of well-established domestic and foreign manufacturers that serve the markets for its products. Many of the Company's products also compete against a number of substitute products. Although the available information does not

permit the Company to form a reliable opinion as to its precise competitive position within these markets, the Company believes it has a significant share in many of the markets.

#### ENVIRONMENT

-----

The Company is subject to various laws regulating the discharge of materials into the environment or otherwise relating to the protection of the environment. Regulation in this area is in the process of development, including changes in the standards of enforcement of existing laws and enactment of new laws. Although the Company, like other companies engaged in similar businesses, is a party to various proceedings relating to environmental matters and makes capital expenditures for environmental projects, it does not believe that the Company will have material capital expenditures for environmental control facilities during the current or succeeding fiscal year.

#### EMPLOYEES

-----

The Company employs approximately 20,000 persons, of whom approximately 5,000 are covered by collective bargaining agreements. In June 1994, there was a one-week strike at the EZ Paint division, affecting 163 employees. There were no strikes during 1993. In October 1992, there was a three-week strike at the Anchor Consumer Glass division. The Company believes that its employee relations are good.

Item 3. Legal Proceedings  
-----

Information regarding legal proceedings is included in note 15 to the consolidated financial statements and is hereby incorporated by reference herein.

As previously reported in the Company's Current Report on Form 8-K dated June 20, 1994, *Plastics, Inc.* ("*Plastics*"), a subsidiary of the Company, pled guilty to a single criminal charge of violating the Federal antitrust laws based on its understanding that sometime after December 1, 1991, former officers of *Plastics* agreed with certain competitors to raise list prices on certain disposable injection-molded commercial plasticware, which agreement(s) ended on or before December 8, 1992. During 1994, class action antitrust complaints on behalf of customers were filed against *Plastics* and other manufacturers in the United States District Court for the Eastern District of Pennsylvania (the "*Philadelphia cases*"), the United States District Court for the Middle District of Florida (the "*Florida cases*"), the Superior Court of California, San Francisco County (the "*California cases*") and the Ontario Court of Justice, Toronto, Ontario, Canada seeking civil damages. *Plastics* has entered into settlement agreements relating to the Philadelphia, Florida and California cases which provide for aggregate payments of \$4 million and which are subject to approval by each of the respective courts. Management believes that resolution of these cases will not have a material effect on the Company's consolidated financial position or results of operations.

This transaction was accounted for as a pooling of interests; therefore, prior financial statements were restated to reflect this merger.

On July 8, 1992, the Company acquired Stuart Hall Company, Inc. ("Stuart Hall"), a manufacturer of school supplies, stationery and office supplies. The Company issued 1.6 million shares of common stock for all the common stock of Stuart Hall. On October 1, 1992, the Company acquired substantially all of the assets of Intercraft Industries, L.P., and all of the capital stock of Intercraft Industries of Canada, Inc. (collectively, "Intercraft"), manufacturers of ready-made picture frames. The purchase price was \$175.0 million in cash. These transactions were accounted for as purchases; therefore, the results of operations for Stuart Hall and Intercraft are included in the accompanying consolidated financial statements since their respective dates of acquisition. The cost of these 1992 acquisitions was allocated to the fair market value of assets acquired and liabilities assumed and resulted in goodwill of approximately \$161.9 million.

On April 30, 1993, the Company acquired substantially all of the assets of Levolor Corporation ("Levolor"), a manufacturer and distributor of decorative window coverings. The purchase price was \$72.5 million in cash. On September 22, 1993, the Company acquired Lee/Rowan Co. ("Lee/Rowan"), a manufacturer and marketer of coated wire storage and organization products. The purchase price was \$73.5 million in cash. On November 9, 1993, the Company acquired Goody

19

Products, Inc. ("Goody"), a manufacturer and marketer of personal consumer products including hair accessories and beauty organizers.

The purchase price, excluding the cost of Goody common stock that the Company owned prior to the acquisition, was \$147.1 million in cash. These transactions were accounted for as purchases; therefore, the results of operations for Levolor, Lee/Rowan and Goody are included in the accompanying consolidated financial statements since their respective dates of acquisition. The cost of the 1993 acquisitions was allocated to the fair market value of assets acquired and liabilities assumed and resulted in goodwill of approximately \$208.2 million.

As part of the Goody acquisition, the Company acquired the capital stock of Opti-Ray, Inc. ("Opti-Ray"), a designer and marketer of fashion sunglasses and non-prescription reading glasses. As of January 1, 1994, the Company sold the capital stock of Opti-Ray to Benson Eyecare Corporation. The net assets of Opti-Ray, which totalled \$8.5 million, are included in Other Assets as of December 31, 1993. The operating results of Opti-Ray from the date of acquisition to December 31, 1993 are excluded from the Consolidated Statements of Income and are not material.

On August 29, 1994, the Company acquired Home Fashions, Inc. ("HFI"), a manufacturer and marketer of decorative window coverings, including vertical blinds and pleated shades. The purchase price was \$130.4 million in cash. This company was combined with Levolor and together they are operated as a single entity called Levolor Home Fashions. On October 18, 1994, the Company acquired Faber-Castell Corporation, which is a leading maker and marketer of markers and writing instruments, including wood-cased pencils and rolling ball pens, whose products are marketed under the Eberhard Faber brand name ("Eberhard Faber"). The purchase price was \$136.5 million in cash. This company was combined with Sanford and together they are operated as single entity called Sanford. On November 30, 1994, the Company acquired the European consumer products business of Corning Incorporated (now known as Newell Europe). This acquisition included Corning's consumer products manufacturing facilities in England, France and Germany, the European trademark rights and product lines for Pyrex, Pyroflam and Visions brands in Europe, the Middle East and Africa, and Corning's consumer distribution network throughout these areas (Pyrex and Visions are registered trademarks of Corning Incorporated). Additionally, the Company became the distributor in Europe, the Middle East and Africa for Corning's U.S.-manufactured cookware and dinnerware brands. The purchase price was \$86.4 million in cash. These transactions were accounted for as purchases; therefore, the results of operations for HFI, Eberhard Faber and Newell Europe are included in the accompanying consolidated financial statements since their respective dates of acquisition. The cost of the 1994 acquisitions was allocated on a preliminary basis to the fair market value of assets acquired and liabilities assumed and resulted in goodwill of approximately \$163.0 million.

20

The unaudited consolidated results of operations for the years ended December 31, 1994 and 1993 on a pro forma basis, as though Levolor, HFI, Lee/Rowan, Goody, Eberhard Faber and Newell Europe each had been acquired on January 1, 1993, are as follows:

	1994 -----	1993 -----
	(In millions, except per share data)	
Net sales	\$2,455.5	\$2,439.4
Net income	195.1	167.1
Earnings per share	1.24	1.06

(2) In August 1994, the Company's Board of Directors declared a two-

for-one common stock split in the form of a 100% stock distribution of the Company's common stock, which was paid on September 1, 1994 to stockholders of record on August 15, 1994. All per share data was adjusted to reflect the two-for-one stock split.

(3) The Financial Accounting Standards Board issued Statement of Financial Accounting Standards ("SFAS") No.'s 112 and 115, "Employers' Accounting for Postemployment Benefits" and "Accounting for Certain Investments in Debt and Equity Securities." The Company adopted these statements in 1994. The adoption of these statements did not have a material effect on the consolidated financial statements.

(4) In 1992, the Company adopted SFAS No. 106, "Employers' Accounting for Postretirement Benefits Other than Pensions." Adoption of this standard did not have a material effect on the annual expense for postretirement benefits. As part of adopting this standard, the Company recorded, in the first quarter of 1992, a one-time, non-cash charge against earnings of \$71.7 million before taxes and \$44.1 million after taxes, or \$0.29 per share. The effect of the change on 1992 net income before cumulative effect of accounting change was not material to any of the consolidated financial statements.

(5) On December 31, 1992, the Company sold its closures business for a \$210.0 million note receivable due and paid January 4, 1993. The Company recognized a net pre-tax gain of \$82.9 million on the sale. Sales for this business totalled \$160.6 million in 1992.

23

1994 vs. 1993:

Net sales for 1994 were \$2,074.9 million, representing an increase of \$429.9 million or 26.1% from 1993. Net sales for each of the Company's product groups were as follows, in millions:

	1994	1993	%Change
	-----	-----	-----
Housewares	\$ 691.8	\$ 528.8	30.8%
Home Furnishings	642.8	425.5	51.1
Office Products	383.2	340.7	12.5
Hardware	357.1	335.3	6.5
Sold Businesses	-	14.7	N/A
	-----	-----	-----
	\$2,074.9	\$1,645.0	26.1%
	=====	=====	

The overall increase in net sales was primarily attributable to the acquisitions of Levolor, HFI, Lee/Rowan, Goody and Eberhard Faber, which are described in note 2 to the consolidated financial statements, and internal growth of 6%. Sales in the housewares group were positively impacted by the Goody acquisition and 5% internal growth. The increase in home furnishings was attributable to the Levolor, HFI and Lee/Rowan acquisitions and internal growth of 10%. The increase in office products was due to the Eberhard Faber acquisition and 6% internal growth. The increase in the hardware group was solely due to internal growth. "Sold businesses" represents the sales in 1993 of Counselor, which was divested in October 1993. Internal growth is defined as sales growth from continuing businesses owned more than two years.

Gross income as a percent of net sales for 1994 was 32.3% versus 33.0% in 1993. The decrease was due to lower than average gross margins from the businesses acquired in 1993 and 1994.

SG&A as a percent of net sales in 1994 was 15.1% versus 15.6% in 1993. The decrease was due to 6% internal growth, with only slight increases in spending levels.

Operating income as a percent of net sales was 17.2% in 1994 versus 17.4% in 1993.

Net nonoperating expenses were \$28.6 million in 1994 versus \$10.6 million in 1993. The increase was due to additional interest expense of \$10.9 million, incremental goodwill amortization of \$5.3 million resulting from recent acquisitions, and a \$6.0 million charge incurred in connection with a plea agreement by a subsidiary of the Company with the U.S. Government. The increase was offset by a \$1.5 million payment received from the settlement of a lawsuit and a \$1.9 million increase in equity earnings from American Tool Companies, Inc., in which the Company has a 47% ownership interest.

24

The effective tax rate was 40.6% in 1994 and 40.0% in 1993. See note 12 to the consolidated financial statements for an explanation of the effective tax rate and deferred tax issues.

Net income for 1994 was \$195.6 million, representing an increase of \$30.3 million or 18.3% from 1993. Earnings per share for 1994 were up 18.1% to \$1.24 versus \$1.05 in 1993. The increases in net income and earnings per share were primarily attributable to contributions from the 1993 acquisitions and internal growth, net of increases in net nonoperating expenses.

1993 vs. 1992:

Net sales for 1993 were \$1,645.0 million, representing an increase of \$193.3 million or 13.3% from 1992. Net sales for each of the Company's product groups were as follows, in millions:

	1993	1992	%Change
	-----	-----	-----
Housewares	\$ 528.8	\$ 507.4	4.2%
Home Furnishings	425.5	162.3	162.2
Office Products	340.7	278.0	22.6
Hardware	335.3	325.5	3.0
Sold Businesses	14.7	178.5	N/A
	-----	-----	
	\$1,645.0	\$1,451.7	13.3%
	=====	=====	

The overall increase in net sales was attributable to the acquisitions of Stuart Hall, Intercraft, Levolor, Lee/Rowan and Goody, which are described in note 2 to the consolidated financial statements, and internal growth of 4%. Sales in the housewares group were positively impacted by the Goody acquisition. The increase in home furnishings was attributable to the Intercraft, Levolor and Lee/Rowan acquisitions and continued expansion in the home center channel of trade. The increase in office products was due to the Stuart Hall acquisition and Sanford's continued expansion in the mass market channel of trade. The increase in the hardware group was solely due to internal growth. "Sold businesses" represents the sales of the closures business, which was divested in December 1992, and Counselor, which was sold in October 1993.

Gross income as a percent of net sales for 1993 was 33.0% versus 31.3% in 1992. The increase was due to lower gross margins at the divested closures business in 1992 and increased gross margins at Sanford in 1993.

SG&A as a percent of net sales in 1993 was 15.6% versus 13.9% in 1992. The increase was due to lower SG&A at the divested closures

business in 1992 and higher SG&A at recently acquired Intercraft and Levolor.

Operating income as a percent of net sales in 1993 was 17.4% versus 16.0% in 1992. In 1992, the Company recorded \$20.9 million in restructuring costs, of which \$17.4 million was recorded in the fourth quarter. The primary components of this charge were costs associated with the closing of a manufacturing facility and severance costs related to businesses acquired in transactions accounted for under the pooling of interests method.

Net nonoperating expenses for 1993 were \$55.7 million higher than 1992, due to an \$82.9 million gain recognized on the sale of the closures business in 1992. The gain was reduced by approximately \$39.2 million of special charges in 1992, including costs associated with the Stanley Works investment (\$14.0 million), write-offs of certain intangible assets (\$11.7 million) and costs associated with prior acquisitions and the establishment of other reserves (\$13.5 million). In addition, incremental goodwill amortization was \$3.4

million due to recent acquisitions, and there were no gains on securities sales in 1993 compared to \$8.6 million in 1992.

The effective tax rate was 40.0% in 1993 and 41.2% in 1992. See note 12 to the consolidated financial statements for an explanation of the effective tax rate and deferred tax issues.

Net income for 1993 was \$165.3 million, representing an increase of \$46.2 million or 38.8% from 1992. Earnings per share for 1993 were up 38.2% to \$1.05 versus \$0.76 in 1992.

In 1992, the Company adopted SFAS No. 106, "Employers' Accounting for Postretirement Benefits Other than Pensions." As part of adopting this standard, the Company recorded, in the first quarter of 1992, a one-time, non-cash charge against earnings of \$71.7 million before taxes and \$44.1 million after taxes, or \$0.29 per share. The deferred income tax benefit increased \$27.6 million as a result of adopting this statement. See note 9 to the consolidated financial statements for additional information.

#### LIQUIDITY AND CAPITAL RESOURCES

The Company's primary sources of liquidity and capital resources include cash provided from operations and use of available borrowing facilities.

Operating activities provided net cash of \$238.4 million during 1994, an increase of \$208.3 million from \$30.1 million in 1993. This change was primarily due to the discontinuation of a \$125.0 million sale of trade receivables program in the third quarter of 1993,

payment of income taxes in 1993 related to the gain on the sale of the closures business and an increase in net income in 1994.

The Company has foreign and domestic lines of credit with various banks and a commercial paper program which are available for short-term financing. Under the line of credit arrangements, the Company may borrow up to \$360.0 million (of which \$267.4 million was available at December 31, 1994) based upon such terms as the Company and the respective banks have mutually agreed upon.

The Company has a shelf registration statement covering up to \$500.0 million of debt securities, of which \$257.0 million was available for additional borrowings as of December 31, 1994. Pursuant to the shelf registration, at December 31, 1994 the Company had outstanding \$186.0 million (principal amount) of medium-term notes with maturities ranging from one to five years at an average rate of interest equal to 6.6%. The fair value of these notes was \$185.1 million at December 31, 1994. The Company had outstanding \$153.0 million on December 31, 1993 and 1992, and the fair value of these notes was \$158.3 million at December 31, 1993 and \$160.9 million at December 31, 1992.

The Company entered into a three-year \$300.0 million revolving credit agreement in August 1993, and a \$100.0 million, 364-day revolving credit agreement in each of November 1993 and August 1994. The November 1993 364-day revolving credit agreement was renewed for an additional 364 days. Under these agreements, the Company may borrow, repay and reborrow funds in an aggregate amount up to \$500.0 million, at a floating interest rate. At December 31, 1994, there were no borrowings under the revolving credit agreements.

In lieu of borrowings under the credit agreements, the Company may issue up to \$500.0 million of commercial paper. The Company's revolving credit agreements referred to above provide the committed backup liquidity required to issue commercial paper. Accordingly,

commercial paper may only be issued up to the amount available under the Company's revolving credit agreements. At December 31, 1994, \$417.1 million (face or principal amount) of commercial paper was outstanding, all of which was supported by the revolving credit agreements. The short-term portion of this balance was \$117.1 million, which is classified as notes payable. The remaining \$300.0 million is classified as long-term debt under the three-year revolving credit agreement.

The Company's primary uses of liquidity and capital resources include capital expenditures, dividend payments and acquisitions.

Capital expenditures were \$66.0 million, \$58.9 million and \$77.6 million in 1994, 1993 and 1992, respectively.

27

The Company has paid regular cash dividends on its common stock since 1947. On May 13, 1993, the quarterly cash dividend was increased to \$0.09 per share from the \$0.08 per share that had been paid since February 15, 1991. The quarterly cash dividend was again increased to \$0.10 per share on May 12, 1994. In August 1994, the Company's Board of Directors declared a two-for-one common stock split in the form of a 100% stock distribution of the Company's common stock, which was paid on September 1, 1994 to stockholders of record on August 15, 1994. All per share data has been adjusted to reflect the two-for-one stock split.

Retained earnings increased in 1994, 1993 and 1992 by \$134.0 million, \$111.1 million and \$68.6 million, respectively. The average dividend payout ratio to common stockholders in 1994, 1993 and 1992 (before the cumulative effect of accounting change) was 31%, 33% and 29%, respectively.

In 1994, the Company acquired HFI, Faber-Castell Corporation (whose products are marketed under the Eberhard Faber brand name) and the European consumer products business of Corning Incorporated (now known as Newell Europe), with purchase prices of \$130.4 million, \$136.5 million and \$86.4 million, respectively. All of these acquisitions were accounted for as purchases and were paid for with proceeds obtained from the issuance of commercial paper, medium-term notes and notes payable under the Company's lines of credit.

The increases in current assets, current liabilities, property, plant and equipment and goodwill during 1993 and 1994 are primarily due to the acquisitions occurring in those years.

Working capital at December 31, 1994 was \$133.6 million compared to \$76.7 million at December 31, 1993. The current ratio at December 31, 1994 was 1.17:1 compared to 1.13:1 at December 31, 1993. The total debt to total capitalization was .39:1 at December 31, 1994 and .32:1 at December 31, 1993.

The Company believes that cash provided from operations and available borrowing facilities will continue to provide adequate support for the cash needs of existing businesses; however, certain events, such as significant acquisitions, could require additional external financing.

The Financial Accounting Standards Board issued SFAS No.'s 112 and 115, "Employers' Accounting for Postemployment Benefits" and "Accounting for Certain Investments in Debt and Equity Securities." The Company adopted these statements in 1994. The adoption of these statements did not have a material effect on the consolidated financial statements.

#### Environmental Matters

-----

The Company is involved in various environmental remediation and other compliance activities, including activities arising under the federal Comprehensive Environmental Response, Compensation and Liability Act ("Superfund") and similar state statutes. Certain information regarding these activities is included in note 15 to the consolidated financial statements. Based on information currently available to it, the Company has estimated that remediation costs associated with these activities will be between \$12.5 million and \$17.5 million. As of December 31, 1994, the Company had a reserve equal to \$14.5 million for such remediation costs in the aggregate. Because of the uncertainties associated with environmental assessment and remediation activities, the possibility that sites could be identified in the future that require environmental remediation and the possibility of additional sites as a result of businesses acquired, actual costs to be incurred by the Company may vary from the Company's estimates. Subject to the imprecision in estimating future environmental costs, the Company does not expect that any sum it may have to pay in connection with environmental matters in excess of amounts reserved will have a material adverse effect on its consolidated financial position, liquidity or results of operations.

#### Outlook

-----

The Company's primary financial goals are to maintain return on beginning equity at 20% or above and increase earnings per share an average of 15% per year, while maintaining a ratio of total debt to total capital (leverage) at a level of approximately 33%. The Company has achieved its goals over the last ten years, averaging 21% ROE, increasing EPS 20% and averaging 29% leverage. The factors affecting the Company's ability to achieve these goals in the future will be the rates of internal and acquisition growth.

In terms of internal growth, the Company has achieved 4-6% internal sales growth in each of the last 4 years, and at the same time, has improved its core operating margins. Operating margins may be under pressure near-term, however, as a result of rising raw material costs. The Company intends to offset these costs through price increases to its customers, but is not certain to what extent the cost increases can be offset since its customers are primarily volume retailers with significant bargaining power.

In terms of acquisition growth, since 1990 the Company has more than doubled its size, acquiring businesses with annual sales of almost \$1.5 billion. The rate at which the Company can integrate these recent acquisitions, in order to meet the Company's high standards of profitability, may affect near-term EPS growth. Over the longer term, the Company's ability to make strategic acquisitions will impact the EPS growth rate.

NOTES TO CONSOLIDATED FINANCIAL STATEMENTS  
DECEMBER 31, 1994, 1993 AND 1992

1) SIGNIFICANT ACCOUNTING POLICIES

**Principles of Consolidation:** The consolidated financial statements include the accounts of the Company and its majority owned subsidiaries after elimination of intercompany accounts and transactions.

**Revenue Recognition:** Sales of merchandise are recognized upon shipment to customers.

**Disclosures about Fair Value of Financial Instruments:** The following methods and assumptions were used to estimate the fair value of each class of financial instruments:

**Cash and Cash Equivalents:** The carrying amounts approximate fair value because of the short maturity of these instruments.

**Marketable Equity Securities:** The fair values of these investments are based upon quoted market prices.

**Long-term Investments:** The fair value of the investment in convertible preferred stock of the Black & Decker Corporation ("Black & Decker") was based in part on an independent appraisal.

**Long-term Debt:** The fair value of the Company's long-term debt issued under the medium-term note program is estimated based on quoted market prices. The carrying value of all other long-term debt outstanding approximates fair value due to the floating rates charged on these instruments.

**Derivatives:** Premiums paid or received related to interest rate swap agreements are amortized into interest expense over the terms of the agreements. Unamortized premiums are included in other assets or accrued liabilities in the consolidated balance sheets.

**Gains and losses relating to qualifying hedges of firm commitments or anticipated transactions** also are deferred and are recognized in income as adjustments of carrying amounts when the hedged transaction occurs.

**Accounts Receivable:** On December 5, 1991, the Company received \$104.7 million from a sale of an interest in trade receivables, with limited recourse, pursuant to an agreement that permits the Company to sell trade receivables, with limited recourse, to the purchaser from time to time. A \$125.0 million interest was outstanding at December 31, 1992. At both December 31, 1994 and 1993, there was no interest in trade receivables sold under this agreement.

**Allowances for Doubtful Accounts:** Allowances for doubtful accounts at December 31, totalled \$10.9 million in 1994, \$6.2 million in 1993 and \$5.6 million in 1992.

**Inventories:** Inventories are stated at the lower of cost or market value. Cost of certain domestic inventories (approximately 87%, 83% and 81% of total inventories at December 31, 1994, 1993 and 1992, respectively) was determined by the "last-in, first-out" ("LIFO") method; for the balance, cost was determined using the "first-in, first-out" ("FIFO") method.

If the FIFO inventory valuation method had been used exclusively, inventories would have been increased by \$12.3 million, \$9.2 million and \$8.0 million at December 31, 1994, 1993 and 1992, respectively.

The components of inventories at the end of each year, net of the LIFO reserve, were as follows:

	December 31,		
	1994	1993	1992

	=====	=====	=====

In May 1993, the Financial Accounting Standards Board issued Statement of Financial Accounting Standards ("SFAS") No. 115, "Accounting for Certain Investments in Debt and Equity Securities." SFAS No. 115 requires, among other things, that securities classified as "available for sale" be carried at fair value; however, fair value adjustments are excluded from earnings and reported separately as a component of stockholders' equity. This new standard, which was adopted prospectively by the Company effective January 1, 1994, did not have a material impact on the consolidated financial statements. The Company considers all long-term marketable equity securities as available for sale.

Other Long-Term Investments: The Company owns 150,000 shares of privately placed Black & Decker convertible preferred stock, Series B, purchased at a cost of \$150.0 million. The Series B preferred shares pay a 7 3/4% cumulative dividend, are convertible into Black & Decker common stock at \$23.62 per share, and have voting rights equivalent to the common stock into which they are convertible. These shares have restrictions on disposition by the Company, and Black & Decker has the

option at the end of ten years to repurchase the remaining preferred shares and any common stock issued upon conversion then held by the Company. The market value of this investment approximated cost at December 31, 1994, 1993 and 1992. In addition, the Company has a 47% ownership in American Tool Companies, Inc., a manufacturer of hand tools and power tool accessory products marketed primarily under the VISE-GRIP and IRWIN trademarks. This investment is accounted for on the equity method with a net investment of \$33.4 million included in Other Long-Term Investments at December 31, 1994.

Property, Plant and Equipment: Property, plant and equipment at

the end of each year consisted of the following:

	December 31,		
	1994	1993	1992
	----	----	----
	(In millions)		
Land	\$ 9.6	\$ 7.1	\$ 6.7
Buildings and improvements	164.8	136.5	101.8

	-----	-----	-----

Allowance for depreciation	(235.6)	(192.3)	(162.7)
	-----	-----	-----
	\$ 454.6	\$ 370.4	\$ 292.8
	=====	=====	=====

Depreciation of property, plant and equipment (stated at cost) is provided for by annual charges to income calculated to amortize, principally on the straight-line basis, the cost of the depreciable assets over their estimated useful lives, which range from five to forty years. Replacements and improvements of fixed assets are capitalized. Expenditures for maintenance and repairs are charged to expense.

Goodwill: Excess of cost over identifiable net assets of businesses acquired is being amortized over 40 years on a straight-line basis. Subsequent to an acquisition, the Company continually evaluates whether later events and circumstances have occurred that indicate the remaining estimated useful life of goodwill may warrant revision or that the remaining balance of goodwill may not be recoverable. When factors indicate that goodwill should be evaluated for possible impairment, the Company uses an estimate of the related division's undiscounted net income over the remaining life of the goodwill in measuring whether the goodwill is recoverable. Accumulated amortization of goodwill was \$57.0 million, \$42.1 million and \$32.0 million at December 31, 1994, 1993 and 1992, respectively.

39

Accrued Liabilities: Accrued liabilities at the end of each year included the following:

	December 31,		
	1994	1993	1992
	----	----	----
	(In millions)		
Promotion and advertising accruals	\$ 76.5	\$ 54.4	\$ 37.5
Accrued insurance reserves	36.0	36.3	29.8

Foreign Currency Translation: Financial statements of foreign subsidiaries are translated in U.S. dollars in accordance with the provisions of SFAS No. 52. Foreign currency transaction gains and losses were insignificant in 1994, 1993 and 1992.

Cash Flows: For purposes of the Consolidated Statements of Cash Flows, the Company considers all short-term, highly liquid investments with an original maturity of three months or less to be cash equivalents. Cash paid for income taxes and interest were as follows:

	December 31,		
	1994	1993	1992
	----	----	----
	(In millions)		
Income taxes	\$115.9	\$144.7	\$ 81.5

Interest	31.1	18.9	14.5

Reclassification: Certain 1992 and 1993 amounts have been reclassified to conform with the 1994 presentation.

## 2) ACQUISITIONS AND DIVESTITURES OF BUSINESSES

On February 14, 1992, a subsidiary of the Company merged with Sanford Corporation ("Sanford"), a designer, manufacturer and marketer of marking and writing instruments, plastic desk accessories, file storage boxes and other office and school supplies. The Company issued approximately 13.8 million shares of common stock for all the common stock of Sanford. This transaction was accounted for as a pooling of interests; therefore, prior financial statements were restated to reflect this merger.

On July 8, 1992, the Company acquired Stuart Hall Company, Inc. ("Stuart Hall"), a manufacturer of school supplies, stationery and office supplies. The Company issued 1.6 million shares of common stock for all the common stock of Stuart Hall. On October 1, 1992, the Company acquired substantially all of the assets of Intercraft Industries, L.P., and all of the capital stock of Intercraft Industries of Canada, Inc. (collectively, "Intercraft"), manufacturers of ready-made picture frames. The purchase price was \$175.0 million in cash. These transactions were accounted for as purchases; therefore, the results of operations for Stuart Hall and Intercraft are included in the accompanying consolidated financial statements since their respective dates of acquisition. The cost of these 1992 acquisitions was allocated to the fair market value of assets acquired and liabilities assumed and resulted in goodwill of approximately \$161.9 million.

On April 30, 1993, the Company acquired substantially all of the assets of Levolor Corporation ("Levolor"), a manufacturer and distributor of decorative window coverings. The purchase price was \$72.5 million in cash. On September 22, 1993, the Company acquired Lee/Rowan Co. ("Lee/Rowan"), a manufacturer and marketer of coated wire storage and organization products. The purchase price was \$73.5 million in cash. On November 9, 1993, the Company acquired Goody Products, Inc. ("Goody"), a manufacturer and marketer of personal consumer products including hair accessories and beauty organizers. The purchase price, excluding the cost of Goody common stock that the Company owned prior to the acquisition, was \$147.1 million in cash. These transactions were accounted for as purchases; therefore, the results of operations for Levolor, Lee/Rowan and Goody are included in the accompanying consolidated financial statements since their respective dates of acquisition. The cost of the 1993 acquisitions was allocated to the fair market value of assets acquired and

liabilities assumed and resulted in goodwill of approximately \$208.2 million.

As part of the Goody acquisition, the Company acquired the capital stock of Opti-Ray, Inc. ("Opti-Ray"), a designer and marketer of fashion sunglasses and non-prescription reading glasses. As of January 1, 1994, the Company sold the capital stock of Opti-Ray to Benson Eyecare Corporation. The net assets of Opti-Ray, which

41

totalled \$8.5 million, are included in Other Assets as of December 31, 1993. The operating results of Opti-Ray from the date of acquisition to December 31, 1993 are excluded from the Consolidated Statements of Income and are not material.

On August 29, 1994, the Company acquired Home Fashions, Inc. ("HFI"), a manufacturer and marketer of decorative window coverings, including vertical blinds and pleated shades. The purchase price was \$130.4 million in cash. This company was combined with Levolor and together they are operated as single entity called Levolor Home Fashions. On October 18, 1994, the Company acquired Faber-Castell Corporation, which is a leading maker and marketer of markers and writing instruments, including wood-cased pencils and rolling ball pens, whose products are marketed under the Eberhard Faber brand name ("Eberhard Faber"). The purchase price was \$136.5 million in cash. This company was combined with Sanford and together they are operated as a single entity called Sanford. On November 30, 1994, the Company acquired the European consumer products business of Corning Incorporated (now known as Newell Europe). This acquisition included Corning's consumer products manufacturing facilities in England, France and Germany, the European trademark rights and product lines for Pyrex, Pyroflam and Visions brands in Europe, the Middle East and Africa, and Corning's consumer distribution network throughout these areas (Pyrex and Visions are registered trademarks of Corning Incorporated). Additionally, the Company became the distributor in Europe, the Middle East and Africa for Corning's U.S.-manufactured cookware and dinnerware brands. The purchase price was \$86.4 million in cash. These transactions were accounted for as purchases; therefore, the results of operations for HFI, Eberhard Faber and Newell Europe are included in the accompanying consolidated financial statements since their respective dates of acquisition. The cost of the 1994 acquisitions was allocated on a preliminary basis to the fair market value of assets acquired and liabilities assumed and resulted in goodwill of approximately \$163.0 million.

The unaudited consolidated results of operations for the years ended December 31, 1994 and 1993 on a pro forma basis, as though Levolor, HFI, Lee/Rowan, Goody, Eberhard Faber and Newell Europe each had been acquired on January 1, 1993, are as follows:

	1994	1993
	----	----
	(In millions, except per share data)	
Net sales	\$2,455.5	\$2,439.4
Net income	195.1	167.1
Earnings per share	1.24	1.06

On December 31, 1992, the Company sold its closures business for a \$210.0 million note receivable due and paid January 4, 1993. The Company recognized a net pre-tax gain of \$82.9 million on the sale. Sales for this business totalled \$160.6 million in 1992.

42

### 3) RESTRUCTURING COSTS

In the year ended December 31, 1992, the Company recorded \$20.9 million in restructuring costs, of which \$17.4 million was recorded in the fourth quarter. The primary components of this charge included costs associated with the closing of a manufacturing facility and severance costs related to businesses acquired in transactions accounted for under the pooling-of-interests method.

### 4) CREDIT ARRANGEMENTS

The Company has foreign and domestic lines of credit with various banks and a commercial paper program which are available for short-term financing. Under the line of credit arrangements, the Company may borrow up to \$360.0 million (of which \$267.4 million was available at December 31, 1994) based upon such terms as the Company and the respective banks have mutually agreed upon.

In connection with \$35.0 million of the line of credit facilities noted above, the Company has agreed to maintain compensating balances, generally at 2.5% of the credit facility. Compensating balances are not restricted as to withdrawals and serve as part of the Company's minimum operating cash balances.

The following is a summary of line of credit notes payable to banks:

	1994	1993	1992
	----	----	----
	(In millions)

- average interest rate	4.9%	3.3%	3.9%

In 1993, the Company began issuing commercial paper under a \$400.0 million program, which was subsequently increased to \$500.0 million. The revolving credit facilities, as described in note 5 to the consolidated financial statements, provide the committed backup liquidity required to issue commercial paper. Three dealers were engaged to market the program.

#### 5) LONG-TERM DEBT

	----	----	----
	(In millions)		
Medium-term notes	\$186.0	\$153.0	\$153.0

	=====	=====	=====

The Company has a shelf registration statement covering up to \$500.0 million of debt securities, of which \$257.0 million was available for additional borrowings as of December 31, 1994. Pursuant to the shelf registration, at December 31, 1994, the Company had outstanding \$186.0 million (principal amount) of medium-term notes with maturities ranging from one to five years at an average rate of interest equal to 6.6%. The fair value of these notes was \$185.1 million at December 31, 1994. The Company had outstanding \$153.0 million on December 31, 1993 and 1992, and the fair value of these notes was \$158.3 million at December 31, 1993 and \$160.9 million at December 31, 1992.

The Company entered into a three-year \$300.0 million revolving

credit agreement in August 1993, and a \$100.0 million, 364-day revolving credit agreement in each of November 1993 and August 1994. The November 1993 364-day revolving credit agreement was renewed for an additional 364 days. Under these agreements, the Company may borrow, repay and reborrow funds in an aggregate amount up to \$500.0 million, at a floating interest rate. At December 31, 1994, there were no borrowings under the revolving credit agreements.

In lieu of borrowings under the credit agreements, the Company may issue up to \$500.0 million of commercial paper. The Company's revolving credit agreements referred to above provide the committed backup liquidity required to issue commercial paper. Accordingly, commercial paper may only be issued up to the amount available under the Company's revolving credit agreements. At December 31, 1994, \$417.1 million (face or principal amount) of commercial paper was outstanding, all of which was supported by the revolving credit agreements. The short-term portion of this balance was \$117.1 million, which is classified as notes payable. The remaining \$300.0 million is classified as long-term debt under the three-year revolving credit agreement.

The revolving credit agreements permit the Company to borrow funds using Syndicated loans (Base Rate loans or Eurodollar loans), Money Market loans (LIBOR Market loans or Set Rate loans) or Acceptance liabilities, as selected by the Company. The terms of these agreements require, among other things, that the Company maintain a certain Total Debt to Total Capital Ratio and a minimum Operating Income to Interest Expense Ratio, all capitalized terms as defined in these agreements. As of December 31, 1994, the Company was in compliance with these agreements.

The aggregate maturities of long-term debt outstanding at December 31, 1994, are as follows:

Year ----	Aggregate Maturities ----- (In millions)
1995	\$ 99.4
1996	358.2
1997	33.5
1998	1.5
1999	7.6
Thereafter	8.2
	----- \$508.4 =====

## 6) DERIVATIVE FINANCIAL INSTRUMENTS

The Company has only limited involvement with derivative financial instruments and does not use them for trading purposes. They are used to manage certain interest rate and foreign currency risks.

Interest rate swap agreements are utilized to convert certain floating rate debt instruments into fixed rate debt or to convert certain floating rate debt based on federal funds rates to floating rate debt based upon commercial paper rates. As of December 31, 1994, the Company was party to one interest rate swap agreement which terminates in June 1996. The agreement requires the Company to pay on a monthly basis the amounts by which the commercial paper rate exceeds the Federal Funds rate on \$50.0 million of debt.

The Company uses forward exchange contracts to hedge certain purchase commitments denominated in currencies other than the domestic currency (primarily Japanese yen and U.S. dollar for the Company's Canadian subsidiary). The term of the currency derivatives is rarely more than one year. The purpose of the Company's foreign currency hedging activities is to protect the Company from some of the risk of foreign currency fluctuations on foreign denominated purchases.

As of December 31, 1994, the Company had contracts to buy 150 million Japanese yen and the Company's Canadian subsidiary had several contracts to buy 7.3 million U.S. dollars. The deferred unrealized gains and losses, based upon dealer quotes from hedging firm purchases, are not material.

The Company is exposed to credit losses in the event of non-performance by the counterparties to its interest rate swap and foreign exchange contracts. The Company anticipates, however, that counterparties will be able to satisfy fully their obligations under the contracts. The Company does not obtain collateral or other security to support financial instruments subject to credit risk but monitors the credit standing of the counterparties. The market value of all the Company's derivatives approximates its carrying value.

## 7) LEASES

The Company leases manufacturing, distribution and office facilities, as well as transportation and data processing equipment under noncancellable leases which expire at various dates through the year 2007.

Future minimum rental payments under noncancellable operating leases are as follows:

Year ----	Minimum Payments ----- (In millions)
1995	\$20.6
1996	16.7
1997	11.9
1998	7.8
1999	6.1
Thereafter	18.1
	-----
	\$81.2
	=====

Total rental expense for all operating leases was approximately \$31.8 million, \$26.0 million and \$18.9 million in 1994, 1993 and 1992, respectively.

8) EMPLOYEE BENEFIT RETIREMENT PLANS

The Company and its subsidiaries have noncontributory pension plans covering substantially all employees. Pension plan benefits are generally based on years of service and/or compensation. The Company's funding policy is to contribute not less than the minimum amounts required by the Employee Retirement Income Security Act of 1974 or additional amounts to assure that plan assets will be adequate to provide retirement benefits. Due to the overfunded status of most of the pension plans, contributions to these plans were insignificant during the past three years. Total expense under all pension and profit sharing plans was \$8.5 million, \$3.2 million and \$1.7 million for the years ended December 31, 1994, 1993 and 1992, respectively.

The net periodic pension cost components for the U.S. pension plans are as follows:

1994	1993	1992
------	------	------

	----	----	----
	(In millions)		
Service cost-benefits earned during the year	\$ 13.4	\$ 8.3	\$ 6.7

	-----	-----	-----
Total U.S. pension plan expense(income)	\$ 4.0	\$ (.3)	\$ (1.0)

The principal actuarial assumptions used are as follows:

	1994	1993	1992

	(In percent)		
Measurement of projected benefit obligation:			
Discount rate	8%	7.25%	7.75%

9) RETIREE HEALTH CARE

Several of the Company's subsidiaries currently provide retiree health care benefits for certain employee groups. In 1992, the Company adopted SFAS No. 106, "Employers' Accounting for Postretirement Benefits Other than Pensions." This standard requires that the expected cost of retiree health benefits be charged to expense during the years that the employees render service rather than the Company's past practice of recognizing these costs on a cash basis. As part of adopting this standard, the Company recorded, in the first quarter of 1992, a one-time, non-cash charge against earnings of \$71.7 million before taxes and \$44.1 million after taxes, or \$0.29 per share. The Company had previously recorded \$37.5 million relating to this liability. This cumulative adjustment as of January 1, 1992 represents the discounted present value of expected future retiree health benefits attributed to employees' service rendered prior to that date. The effect of the change on 1992 net income before cumulative effect of accounting change was not material to any of the consolidated financial statements.

The components of the net postretirement health care cost are as follows:

	1994	1993	1992
	----	----	----
	(In millions)		
Service cost-benefits attributed			
to service during the period	\$ 2.0	\$ 1.1	\$ 1.3
Interest cost on accumulated postretirement benefit obligation	7.3	8.1	8.4
	---	---	---
Net postretirement health care cost	\$ 9.3	\$ 9.2	\$ 9.7
	===	===	===

A reconciliation of the accumulated postretirement benefit obligation to the liability recognized in the consolidated balance sheets is as follows:

	1994	1993	1992
	----	----	----
	(In millions)		
Accumulated postretirement benefit obligation:			
Retirees	\$ (65.2)	\$ (73.0)	\$ (79.5)
Fully eligible active plan participants	(6.0)	(5.2)	(8.2)
Other active plan participants	(21.1)	(22.8)	(20.9)
	-----	-----	-----
Accumulated postretirement benefit			

obligation	(92.3)	(101.0)	(108.6)
Market value of assets	-	-	-
	-----	-----	-----
Funded status	(92.3)	(101.0)	(108.6)
Unrecognized net (gain)	(16.7)	(8.4)	(0.3)
	-----	-----	-----
Other Noncurrent Liability	\$ (109.0)	\$ (109.4)	\$ (108.9)
	=====	=====	=====

51

The actuarial calculation assumes a 12% increase in the health care cost trend rate for fiscal year 1994. The assumed rate decreases one percent every year through the sixth year to six percent and remains constant beyond that point. The health care cost trend rate has a significant effect on the amounts reported. For example, a one percentage point increase in the health care cost trend rate would increase the accumulated postretirement benefit obligation by \$6.0 million and increase net periodic cost by \$0.8 million. The discount rate used in determining the accumulated postretirement benefit obligation was 8% in 1994, 7.25% in 1993 and 7.75% in 1992.

52

The Company's common stock consists of 300.0 million authorized shares, with a par value of \$1 per share. Of the total unissued common shares at December 31, 1994, total shares in reserve included 10.1 million shares for issuance under the Company's stock option plans.

Each share of common stock includes a preferred stock purchase right (a "Right"). Each Right will entitle the holder, until the earlier of October 31, 1998 or the redemption of the Rights, to buy one four-hundredth of a share of a new series of preferred stock, denominated "Junior Participating Preferred Stock, Series B," at a price of \$25 per one four-hundredth of a share (as adjusted to reflect stock splits since the issuance of the Rights). This preferred stock is nonredeemable and will have 100 votes per share. The Company has reserved 500,000 Series B preferred shares for issuance upon exercise of such Rights. The Rights will be exercisable only if a person or group acquires 20% or more of voting power of the Company or announces a tender offer following which it would hold 30% or more of the Company's voting power.

In the event that any person becomes the beneficial owner of 30% or more of the Company's voting power, the Rights (other than Rights held by the 30% stockholder) would become exercisable for that number of shares of the Company's common stock having a market value of two times the exercise price of the Right. Furthermore, if, following the acquisition by a person or group of 20% or more of the Company's voting power, the Company were acquired in a merger or other business combination or 50% or more of its assets were sold, or in the event of certain types of self-dealing transactions by a 20% stockholder, each Right (other than Rights held by the 20% stockholder) would become exercisable for that number of shares of common stock of the Company (or the surviving company in a business combination) having a market value of two times the exercise price of the Right.

The Company may redeem the Rights at one cent per Right prior to the occurrence of an event that causes the Rights to become exercisable for common stock. The Board of Directors may terminate the Company's right to redeem the Rights under certain circumstances at any time after a group or person acquires 20% or more of the Company's voting power.

The earnings per share amounts are computed based on the weighted average monthly number of shares outstanding during the year. On September 1, 1994, a two-for-one split of the Company's common stock was effected in the form of a stock dividend of one share of stock on each share of stock outstanding at the close of business on August 15, 1994.

Accordingly, all share and per share data have been restated to retroactively reflect the stock split. Common stock was credited \$1 and additional paid-in capital was charged a like amount for each share of stock issued pursuant to the stock split.

## 11) STOCK OPTIONS

Under the terms of the Company's stock option plans, all options are granted at prices at least equal to the market value on the date of grant and expire five years, five years and ninety days, ten years, or ten years and one day thereafter.

The following summarizes the changes in number of shares of common stock under option:

	Number of Shares -----	Range of Per Share Option Prices -----

	=====			

Options outstanding on December 31, 1994, are exercisable at an average price of \$19.11 and expire on various dates from January 22, 1995 to November 1, 2004.

At December 31, 1994, there were 7.9 million shares available for grant of future options.

12) INCOME TAXES

During 1992, the Company adopted SFAS No. 109, "Accounting for Income Taxes." The impact of adopting this standard was not material to any of the consolidated financial statements of the Company for 1992.

The provision for income taxes consists of the following:

14) OTHER OPERATING INFORMATION

INDUSTRY SEGMENTS

Since the beginning of 1993, after the sale of its closures business on December 31, 1992, over 90% of the Company's revenues are derived from consumer products and, as such, the Company operates in a single industry segment. Prior to 1993, the Company operated in two industry segments, Consumer Products and Industrial Products.

Consumer Products are sold through a variety of retail and wholesale distribution channels. Industrial Products were sold directly and through distributors. Intersegment sales were not material.

	Consumer Products	Industrial Products	Corporate & Other	Consolidated

Depreciation and amortization expense	35.1	7.1	11.7	53.9
Capital expenditures	61.2	13.4	3.0	77.6

GENERAL INFORMATION

The Company's segment information necessarily includes allocations of expenses and assets shared by its segments. Although such allocations were made on a reasonable basis, the assets and operating income do not necessarily reflect how such data might appear if the segments were operated as separate businesses.

Sales to Wal-Mart Stores, Inc. and subsidiaries amounted to approximately 15% of consolidated sales in 1994, and 14% in both 1993 and 1992. Each of the other customers amounted to less than 10% in all three years.

Export sales were less than 10% of consolidated sales in 1994, 1993 and 1992.

Total assets are those assets that are used in the Company's operations in each industry segment. Corporate assets are located exclusively in the United States and consist principally of cash, marketable equity securities, goodwill and notes receivable. Prior to the acquisition of Newell Europe, the Company operated principally in the North American geographic segment.

#### 15) LITIGATION

The Company and its subsidiaries are subject to certain legal proceedings and claims, including the environmental matters described below, that have arisen in the ordinary conduct of its business. Although management of the Company cannot predict the ultimate outcome of these matters with certainty, it believes that their ultimate resolution will not have a material effect on the Company's consolidated financial statements.

The Company and its subsidiaries are also involved in various matters concerning federal and state environmental laws and regulations, including seventeen matters in which they have been identified by the U.S. Environmental Protection Agency and certain state environmental agencies as potentially responsible parties ("PRPs") at hazardous waste disposal sites under the Comprehensive Environmental Response, Compensation and Liability Act ("Superfund") and equivalent state laws. In assessing its remediation costs, the Company has considered several factors, including: the extent of the Company's volumetric contribution at each site relative to that of other PRPs; the kind of waste; where applicable, the terms of existing cost sharing and other agreements; the ability of other PRPs to share in the payment of requisite costs; the Company's prior experience with environmental remediation; environmental studies and cost estimates available to the Company; the effects of inflation on cost estimates; and the extent to which the Company's and other party's status as a PRP is disputed. Based on information currently available to it, the Company's estimate of remediation costs associated with these matters ranges between \$12.5 million and \$17.5 million. As of December 31, 1994, the Company had a reserve equal to \$14.5 million for such remediation costs in the aggregate. Insufficient information is available to the Company to permit it reasonably to reflect any unasserted claims in its reserve or cost estimates. No insurance recovery was taken into account in determining the Company's cost estimates or reserve nor do the Company's cost estimates or reserve reflect any discounting for present value purposes.

FOURTH: The total number of shares which the Corporation shall have authority to issue is 56,000,000, consisting of 50,000,000 shares of Common Stock of the par value of \$1.00 per share and 6,000,000 shares of Preferred Stock, consisting of 10,000 shares without par value and 5,990,000 shares of the par value of \$1.00 per share. The designations and the powers, preferences and rights, and the qualifications, limitations and restrictions thereof, of each of the classes of stock of the Corporation are as follows:

A. Common Stock. Each holder of Common Stock shall be entitled to one (1) vote for each such share of Common Stock.

B. Preferred Stock. The Preferred Stock shall be issued from time to time in one or more series with such distinctive serial designations and (a) may have such voting powers, full or limited, or may be without voting powers; (b) may be subject to redemption at such time or times and at such price or prices; (c) may be entitled to receive dividends (which may be cumulative or noncumulative) at such rate or rates, on such conditions, and at such times, and payable in preference to, or in such relation to, the dividends payable on any

Name	Address
Lori E. Simon . . . . .	Schiff Hardin & Waite 7200 Sears Tower Chicago, Illinois 60606

SIXTH: A. The Board of Directors shall be divided into three classes (which at all times shall be as nearly equal in number as possible). The initial term of office of the first class ("Class I") shall expire at the 1988 annual meeting of stockholders, the initial term of office of the second class ("Class II") shall expire at the 1989 annual meeting of stockholders, and the initial term of office of the third class ("Class III") shall expire at the 1990 annual meeting of stockholders. At each annual meeting of stockholders following such initial classification, directors elected to succeed those directors whose terms expire shall be elected for a term of office to expire at the third succeeding annual meeting of stockholders after their election. The foregoing notwithstanding, each director shall serve until his successor shall have been duly elected and qualified, unless he shall cease to serve by reason of death, resignation or other cause. If the number of directors is changed, any increase or decrease shall be apportioned among the classes so as to maintain the number of directors in each class as nearly equal as possible, but in no case shall a decrease in the number of directors shorten the term of any incumbent director.

B. The business and affairs of the Corporation shall be managed by or under the direction of the Board of Directors, and the Board of Directors shall determine the rights, powers, duties, rules and procedures that shall affect the power of the Board of Directors to manage and direct the business and affairs of the Corporation.

C. Newly created directorships resulting from any increase in the authorized number of directors or any vacancies in the Board of Directors resulting from death, resignation or other cause may be filled only by a majority vote of the directors then in office, though less than a quorum, or by a sole remaining director. Any director so chosen shall hold office for a term expiring at the annual meeting of stockholders at which the term of office of the class to which he has been elected expires.

D. The provisions set forth in paragraphs A and C of this Article SIXTH are subject to the rights of the holders of any class or series of stock having a preference over the Common Stock as to dividends or upon liquidation to elect additional directors under specified circumstances as set forth in this Restated Certificate of Incorporation or in a resolution providing for the issuance of such stock adopted by the Board of Directors pursuant to authority vested in it by this Restated Certificate of Incorporation.

E. In addition to the voting requirements imposed by law or by any other provision of this Restated Certificate of Incorporation, this Article SIXTH may not be amended, altered or repealed in any respect, nor may any provision inconsistent with this Article SIXTH be adopted, unless such action is approved by the affirmative vote of the holders of at least 75% of the total voting power of all shares of stock of the Corporation entitled to vote in the election of directors generally, considered for purposes of this Article SIXTH as one class.

SEVENTH: In furtherance and not in limitation of the powers conferred by statute, the Board of Directors is expressly authorized to make, alter or repeal the By-Laws of the Corporation.

EIGHTH: A. Subject to the rights of holders of any class or series of stock having a preference over the Common Stock as to dividends or upon liquidation to elect additional directors under specified circumstances as set forth in this Restated Certificate of Incorporation or in a resolution providing for the issuance of such stock adopted by the Board of Directors pursuant to authority vested in it by this Restated Certificate of Incorporation, nominations for the election of directors may be made by the Board of Directors or by a committee appointed by the Board of Directors, or by any stockholder entitled to vote in the election of directors generally provided that such stockholder has given actual written notice of such stockholders' intent to make such nomination or nominations to the Secretary of the

- 74 -

Corporation not later than (1) with respect to an election to be held at an annual meeting of stockholders, 90 days prior to the anniversary date of the immediately preceding annual meeting of stockholders, and (2) with respect to an election to be held at a special meeting of stockholders for the election of directors, the close of business on the seventh day following (a) the date on which notice of such meeting is first given to stockholders or (b) the date on which public disclosure of such meeting is made, whichever is earlier.

B. Each such notice shall set forth: (1) the name and address of the stockholder who intends to make the nomination and of the person or persons to be nominated; (2) a representation that the stockholder is a holder of record of stock of the Corporation entitled to vote at such meeting and intends to appear in person or by proxy at the meeting to nominate the person or persons specified in the notice; (3) a description of all arrangements or understandings involving any two or more of the stockholders, each such nominee and any other person or persons (naming such person or persons) pursuant to which the nomination or nominations are to be made by the stockholder or relating to the Corporation or its securities or to such nominee's service as a director if elected; (4) such other information regarding each nominee proposed by such stockholder as would be required to be included in a proxy statement filed pursuant to the proxy rules of the Securities and Exchange Commission had the nominee been nominated, or intended to be nominated, by the Board of Directors; and (5) the consent of each nominee to serve as a director of the Corporation if so elected. The chairman of the meeting may refuse to acknowledge the nomination of any person not made in compliance with the foregoing procedure.

C. In addition to the voting requirements imposed by law or by any other provision of this Restated Certificate of Incorporation, this Article EIGHTH may not be amended, altered or repealed in any respect, nor may any provision inconsistent with this Article EIGHTH be adopted, unless such action is approved by the affirmative vote of the holders of at least 75% of the total voting powers of all shares of stock of the Corporation entitled to vote in the election of directors generally, considered for purposes of this Article EIGHTH as one class.

NINTH: A. Any action required or permitted to be taken by the stockholders of the Corporation must be effected at a duly called annual or special meeting of stockholders of the Corporation and may not be effected by any consent in writing by such stockholders.

B. In addition to the voting requirements imposed by law or by any other provision of this Restated Certificate of Incorporation, this Article NINTH may not be amended, altered or repealed in any respect, nor may any provision inconsistent with this Article NINTH be

- 75 -

adopted, unless such action is approved by the affirmative vote of the holders of at least 75% of the total voting power of all shares of stock of the Corporation entitled to vote in the election of directors

generally, considered for purposes of this Article NINTH as one class.

TENTH: A. Notwithstanding any other provision of this Restated Certificate of Incorporation and in addition to any affirmative vote which may be otherwise required, no Business Combination shall be effected or consummated except as expressly provided in paragraph B of this Article TENTH, unless such Business Combination has been approved by the affirmative vote of the holders of at least 75% of the Voting Shares.

B. The provisions of Article TENTH shall not apply to any Business Combination if:

1. The Business Combination has been approved by a resolution adopted by a majority of those members of the Board of Directors who are not Interested Directors with respect to the Business Combination; or

2. All of the following conditions have been met: (a) the aggregate amount of the cash and the Fair Market Value of Other Consideration to be received for each share of Common Stock in the Business Combination by holders thereof is not less than the higher of: (i) the highest per share price (including any brokerage commissions, transfer taxes, soliciting dealer's fees, dealer-management compensation and similar expenses) paid or payable by an Interested Party with an interest in the Business Combination to acquire beneficial ownership of any shares of Common Stock within the two-year period immediately prior to the first public announcement of the proposed Business Combination (the "Announcement Date"), or (ii) the highest market price per share of the Common Stock on the Announcement Date or on the date on which the Interested Party became an Interested Party, whichever is higher; (b) the consideration to be received in the Business Combination by holders of Common Stock other than an Interested Party with an interest in the Business Combination shall be either in cash or in the same form used by an Interested Party with an interest in the Business Combination to acquire the largest number of shares of Common Stock acquired by all Interested Parties with an interest in the Business Combination from one or more persons who are not Interested Parties with an interest in the Business Combination; and (c) at the record date for the determination of stockholders entitled to vote on the proposed Business Combination, there shall be one or more directors of the Corporation who are not Interested Directors with respect to the Business Combination.

C. For purposes of this Article TENTH.

1. An "Associate" of a specified person is (a) a person that, directly or indirectly (i) controls, is controlled by, or is under common control with, the specified person, (ii) is the beneficial owner of 10% or more of any class of the equity securities of the specified person, or (iii) has 10% or more of any class of its equity securities beneficially owned, directly or indirectly, by the specified person; (b) any person (other than the Corporation or a Subsidiary) of which the specified person is an officer, director, partner or other official and any officer, director, partner or other official of the specified person; (c) any trust or estate in which the specified person serves as trustee or in a similar fiduciary capacity, or any trustee or similar fiduciary of the specified person; and (d) any relative or spouse who has the same home as the specified person or who is an officer or director of any person (other than the Corporation or a Subsidiary), directly or indirectly, controlling, controlled by or under common control with the specified person. No director of the Corporation, however, shall be deemed to be an Associate of any other director of the Corporation by reason of such service as a director or by concurrence in any action of the Board of Directors.

2. "Beneficial Ownership" of any Voting Shares shall be determined pursuant to Rule 13d-3 under the Securities Exchange Act of 1934 as in effect on the date on which this Article TENTH is approved by the stockholders of the Corporation, provided, however, that a person shall in any event, be the beneficial owner of any Voting Shares; (a) which such person, or any of such person's Associates, beneficially owns, directly or indirectly; (b) which such person or any of such person's Associates, directly or indirectly, (i) has the right to acquire (whether such right is exercisable immediately or only after the passage of time) pursuant to any agreement, arrangement or understanding; or upon the exercise of conversion rights, exchange rights, warrants or options; or pursuant to the power to revoke a trust, discretionary account or other arrangement; or (ii) has or shares the power, or has the right to acquire (whether such right is exercisable immediately or only after the passage of time) the exclusive or shared power, to vote or direct the vote pursuant to any agreement, arrangement, relationship or understanding; or pursuant to the power to revoke a trust, discretionary account or other arrangement; or (c) which are beneficially owned, directly or indirectly, by any other person with which such first-mentioned person or any of its Associates has any agreement, arrangement or understanding, or is acting in concert with respect to acquiring, holding, voting or disposing of any Voting Shares; provided, however, that no director of the Corporation

- 77 -

shall be deemed to be acting in concert with any other director of the Corporation by reason of such service as a director or by concurrence in any action of the Board of Directors.

3. "Business Combination" shall mean: (a) any merger or consolidation of the Corporation or any Subsidiary with or into any Interested Party or any Associate or an Interested Party; (b) any sale, lease, exchange, mortgage, pledge, transfer or other disposition (in one or a series of related transactions) of all or any Substantial Part of the Consolidated Assets of the Corporation to or with any Interested Party or any Associate of an Interested Party; (c) any issuance, sale, exchange, transfer or other disposition by the Corporation or any Subsidiary (in one or a series of related transactions) of any securities of the Corporation or any Subsidiary to or with any Interested Party or any Associate of an Interested Party; or (d) any spin-off, split-up, reclassification of securities (including any reverse stock split), recapitalization, reorganization, liquidation or dissolution of the Corporation with any Subsidiary or any other transaction involving the Corporation or any Subsidiary (whether or not with or otherwise involving an Interested Party) that has the effect, directly or indirectly, of increasing the proportionate interest of any Interested Party or any Associate of an Interested Party in the equity securities or assets of the Corporation or any Subsidiary.

4. "Fair Market Value" means: (a) in the case of stock, the average closing sale price during the 30-day period immediately preceding the date in question of a share of such stock on the Composite Tape for the New York Stock Exchange Listed Stocks, or, if such stock is not quoted on the Composite Tape on the New York Stock Exchange, or, if such stock is not listed on such exchange, on the principal United States securities exchange registered under the Securities Exchange Act of 1934 on which such stock is listed, or, if such stock is not listed on any such exchange, the average closing bid quotation with respect to a share of such stock during the 30-day period immediately preceding the date in question on the National Association of Securities Dealers, Inc. Automated Quotation System or any system then in use, provided that, if no such prices or quotations are available, or if a majority of those members of the Board of Directors who are not Interested Directors with respect to the Business Combination determine that such prices or quotations do not represent fair market value, the Fair Market Value of such stock shall be determined pursuant to clause (b) below; and (b) in the case of

property other than cash or stock, or in the case of stock as to which Fair Market Value is not determined pursuant to clause (a) above, the Fair Market Value on the date in question as determined by a majority of those members of the Board of

- 78 -

Directors who are not Interested Directors with respect to the Business Combination. In making any such determination, the Board of Directors may, but shall not be required to, engage the services of an Investing Banking Firm.

5. "Interested Director" shall mean each director of the Corporation who (a) is an Interested Party or an Associate of an Interested Party; (b) has an Associate who is an Interested Party; (c) was nominated or proposed to be elected as a director of the Corporation by an Interested Party or an Associate of an Interested Party; or (d) is, or has been nominated or proposed to be elected as, an officer, director or employee of an Interested Party or of an Associate of an Interested Party.

6. "Interested Party" shall mean any person (other than the Corporation or a Subsidiary) that is the beneficial owner, directly or indirectly, of 5% or more of the Voting Shares (a) in connection with determining the required vote by stockholders on any Business Combination, as of any of the following dates: the record date for the determination of stockholders entitled to notice of or to vote on such Business Combination or immediately prior to the consummation of any such Business Combination or the adoption by the Corporation of any plan or proposal with respect thereto; (b) in connection with determining the required vote by stockholders on any amendment, alteration or repeal of, or adoption of a provision inconsistent with, this Article TENTH pursuant to paragraph E of this Article TENTH, as of the record date for the determination of stockholders entitled to notice and to vote on such amendment, alteration, repeal or inconsistent provision; and (c) in connection with determining whether a director is an "Interested Director" in respect of any determination made by the Board of Directors pursuant to paragraph D of this Article TENTH, as of the date at which the vote on such recommendation or determination is being undertaken, or as close as is reasonably practicable to such date.

7. An "Investment Banking Firm" shall mean an investment banking firm that has not previously been associated with any Interested Party with an interest in the Business Combination, which is selected by a majority of the directors of the Corporation who are not Interested Directors with respect to the Business Combination, engaged solely on behalf of the holders of Common Stock other than Interested Parties with an interest in the Business Combination, and paid a reasonable fee for its services.

8. "Other Consideration" shall include (without limitation) Common Stock and/or any other class or series of stock of the Corporation retained by stockholders of the

- 79 -

Corporation in the event of a Business Combination in which the Corporation is the surviving corporation.

9. A "Person" shall include (without limitation) any natural person, corporation, partnership, trust or other entity, organization or association, or any two or more persons acting in concert or as a syndicate, joint venture or group.

10. "Subsidiary" shall mean any corporation of which a majority of any class of equity securities is owned, directly or indirectly, by the Corporation; provided, however, that for purposes of paragraph C.6 of this Article TENTH, the term

"Subsidiary" shall mean only a corporation of which a majority of each class of equity securities is owned, directly or indirectly, by the Corporation.

11. "Substantial Part of the Consolidated Assets" of the Corporation shall mean assets of the Corporation and/or any Subsidiary having a book value (determined in accordance with generally accepted accounting principles) in excess of 10% of the book value (determined in accordance with generally accepted accounting principles) of the total consolidated assets of the Corporation and all Subsidiaries which are consolidated for public financial reporting purposes, at the end of its most recent quarterly fiscal period ending prior to the time the determination is made for which financial information is available.

12. "Voting Shares" shall mean the outstanding shares of all classes of stock of the Corporation entitled to vote for the election of directors generally, considered for purposes of this Article TENTH as one class. "Voting Shares" shall include shares deemed owned by any Interested Party or any Associate of an Interested Party through application of paragraph C.2 of this Article TENTH, but shall not include any other shares which may be issuable based upon a right to acquire such shares (whether such right is exercisable immediately or only after the passage of time) pursuant to any agreement, arrangement or understanding, or upon the exercise of conversion rights, exchange rights, warrants or options, or pursuant to the power to revoke a trust, discretionary account, or other arrangement or otherwise.

D. A majority of those members of the Board of Directors who are not Interested Directors with respect to the Business Combination shall have the power and duty to interpret the provisions of this Article TENTH and to make all determinations to be made under this Article TENTH. Any such interpretation or determination shall be conclusive and binding for all purposes of this Article TENTH.

- 80 -

E. In addition to the voting requirements imposed by law or by any other provision of this Restated Certificate of Incorporation, the provisions set forth in this Article TENTH may not be amended, altered or repealed in any respect, nor may any provision inconsistent with this Article TENTH be adopted, unless such action is approved by the affirmative vote of the holders of at least 75% of the Voting Shares.

F. Nothing contained in this Article TENTH shall be construed to relieve any Interested Party from any fiduciary obligation imposed by law.

ELEVENTH: Except as otherwise provided in this Restated Certificate of Incorporation, the Board of Directors shall have authority to authorize the issuance, from time to time without any vote or other action by the stockholders, of any or all shares of stock of the Corporation of any class at any time authorized, any securities convertible into or exchangeable for any such shares so authorized, and any warrant, option or right to purchase, subscribe for or otherwise acquire, shares of stock of the Corporation of any class at any time authorized, in each case to such persons and for such consideration and on such terms as the Board of Directors from time to time in its discretion lawfully may determine; provided, however, that the consideration for the issuance of shares of stock of the corporation having par value shall not be less than such par value. Stock so issued, for which the consideration has been paid to the Corporation, shall be fully paid stock, and the holders of such stock shall not be liable to any further call or assessments thereon.

TWELFTH: No holder of stock of any class of the Corporation or of any security convertible into, or of any warrant, option or right to purchase, subscribe for or otherwise acquire, stock of any class of the Corporation, whether now or hereafter authorized, shall, as such holder, have any pre-emptive right whatsoever to purchase, subscribe

for or otherwise acquire, stock of any class of the Corporation or any security convertible into, or any warrant, option or right to purchase, subscribe for or otherwise acquire, stock of any class of the Corporation, whether now or hereafter authorized.

THIRTEENTH: Anything herein contained to the contrary notwithstanding, any and all right, title, interest, and claim in or to any dividends declared, or other distributions made, by the Corporation, whether in cash, stock or otherwise, which are unclaimed by the stockholder entitled thereto for a period of six years after the close of business on the payment date, shall be and be deemed to be extinguished and abandoned; and such unclaimed dividends or other distributions in the possession of the Corporation, its transfer agents or other agents or depositaries, shall at such time become the absolute property of the Corporation, free and clear of any and all claims of any persons whatsoever.

- 81 -

FOURTEENTH: A. The Corporation shall indemnify any person who was or is a party or is threatened to be made a party to any threatened, pending or completed action, suit or proceeding, whether civil, criminal, administrative or investigative (other than an action by or in the right of the Corporation) by reason of the fact that he is or was or has agreed to become a director or officer of the Corporation, or is or was serving or has agreed to serve at the request of the Corporation as a director or officer of another Corporation, partnership, joint venture, trust or other enterprise, or by reason of any action alleged to have been taken or omitted in such capacity, against costs, charges and other expenses (including attorneys' fees) ("Expenses"), judgments, fines and amount paid in settlement actually and reasonably incurred by him in connection with such action, suit or proceeding and any appeal thereof if he acted in good faith and in a manner he reasonably believed to be in or not opposed to the best interests of the Corporation, and with respect to any criminal action or proceeding, had no reasonable cause to believe his conduct was unlawful. The termination of any action, suit or proceeding by judgment, order, settlement, conviction, or plea of nolo contendere or its equivalent, shall not, of itself, create a presumption that the person did not act in good faith and in a manner which he reasonably believed to be in or not opposed to the best interests of the Corporation, and, with respect to any criminal action or proceeding, had reasonable cause to believe that his conduct was unlawful. For purposes of this Article, "serving or has agreed to serve at the request of the Corporation as a director or officer of another corporation, partnership, joint venture, trust or other enterprise" shall include any service by a director or officer of the Corporation as a director, officer, employee, agent or fiduciary of such other Corporation, partnership, joint venture, trust or other enterprise, or with respect to any employee benefit plan (or its participants or beneficiaries) of the Corporation or any such other enterprise.

B. The Corporation shall indemnify any person who was or is a party or is threatened to be made a party to any threatened, pending or completed action or suit by or in the right of the Corporation to procure a judgment in its favor by reason of the fact that he is or was or has agreed to become a director or officer of the Corporation or is or was serving or has agreed to serve at the request of the Corporation as a director or officer of another Corporation, partnership, joint venture, trust or other enterprise or by reason of any action alleged to have been taken or omitted in such capacity against Expenses actually and reasonably incurred by him in connection with the investigation, defense or settlement of such action or suit and any appeal thereof if he acted in good faith and in a manner he reasonably believed to be in or not opposed to the best interests of the Corporation and except that no indemnification shall be made in respect of any claim, issue or matter as to which such person shall

- 82 -

have been adjudged to be liable to the Corporation unless and only to the extent that the Court of Chancery of Delaware or the court in which such action or suit was brought shall determine upon application that, despite the adjudication of liability but in view of all the circumstances of the case, such person is fairly and reasonably entitled to indemnify for such Expenses which the Court of Chancery of Delaware or such other court shall deem proper.

C. To the extent that any person referred to in paragraphs (A) or (B) of this Article has been successful on the merits or otherwise, including, without limitation, the dismissal of an action without prejudice, in defense of any action, suit or proceeding referred to therein or in defense of any claim, issue or matter therein, he shall be indemnified against Expenses actually and reasonably incurred by him in connection therewith.

D. Any indemnification under paragraphs (A) or (B) of this Article (unless ordered by a court) shall be made by the Corporation only as authorized in the specific case upon a determination that indemnification of the director or officer is proper in the circumstances because he has met the applicable standard of conduct set forth in paragraphs (A) or (B). Such determination shall be made (i) by the board of directors by a majority vote of a quorum (as defined in the By-Laws of the Corporation) consisting of directors who were not parties to such action, suit or proceeding, or (ii) if such quorum is not obtainable, or, even if obtainable a quorum of disinterested directors so directs, by independent legal counsel in a written opinion, or (iii) by the stockholders.

E. Expenses incurred in defending a civil or criminal action, suit or proceeding shall be paid by the Corporation in advance of the final disposition of such action, suit or proceeding and appeal upon receipt by the Corporation of an undertaking by or on behalf of the director or officer to repay such amount if it shall ultimately be determined that he is not entitled to be indemnified by the Corporation.

F. The determination of the entitlement of any person to indemnification under paragraphs (A), (B) or (C) or to advancement of Expenses under paragraph (E) of this Article shall be made promptly, and in any event within 60 days after the Corporation has received a written request for payment from or on behalf of a director or officer and payment of amounts due under such sections shall be made immediately after such determination. If no disposition of such request is made within said 60 days or if payment has not been made within 10 days thereafter, or if such request is rejected, the right to indemnification or advancement of Expenses provided by this Article shall be enforceable by or on behalf of the director or officer in any court of competent jurisdiction. In addition to the other amounts due

- 83 -

under this Article, Expenses incurred by or on behalf of a director or officer in successfully establishing his right to indemnification or advancement of Expenses, in whole or in part, in any such action (or settlement thereof) shall be paid by the Corporation.

G. The indemnification and advancement of Expenses provided by this Article shall not be deemed exclusive of any other rights to which those seeking indemnification or advancement of Expenses may be entitled under any law (common or statutory), By-Law, agreement, vote of stockholders or disinterested directors or otherwise, both as to action in his official capacity and as to action in another capacity while holding such office, or while employed by or acting as a director or officer of the Corporation or as a director or officer of another corporation, partnership, joint venture, trust or other enterprise, and shall continue as to a person who has ceased to be a director or officer and shall inure to the benefit of the heirs, executors and administrators of such a person. Notwithstanding the provisions of this Article, the Corporation shall indemnify or make advancement of Expenses to any person referred to in paragraphs (A) or (B) of this Article to the full extent permitted under the laws of Delaware and any other applicable laws, as they now exist or as they

may be amended in the future.

H. All rights to indemnification and advancement of Expenses provided by this Article shall be deemed to be a contract between the Corporation and each director or officer of the Corporation who serves, served or has agreed to serve in such capacity, or at the request of the Corporation as director or officer of another corporation, partnership, joint venture, trust or other enterprise, at any time while this Article and the relevant provisions of the Delaware General Corporation Law or other applicable law, if any, are in effect. Any repeal or modification of this Article, or any repeal or modification of relevant provisions of the Delaware General Corporation Law or any other applicable law, shall not in any way diminish any rights to indemnification of or advancement of Expenses to such director or officer or the obligations of the Corporation.

I. The Corporation shall have power to purchase and maintain insurance on behalf of any person who is or was or has agreed to become a director or officer of the Corporation, or is or was serving or has agreed to serve at the request of the Corporation as a director or officer of another corporation, partnership, joint venture, trust or other enterprise, against any liability asserted against him and incurred by him in any such capacity, or arising out of his status as such, whether or not the Corporation would have the power to indemnify him against such liability under the provisions of this Article.

J. The Board of Directors may, by resolution, extend the provisions of this Article pertaining to indemnification and

- 84 -

advancement of Expenses to any person who was or is a party or is threatened to be made a party to any threatened, pending or completed action, suit or proceeding by reason of the fact that he is or was or has agreed to become an employee, agent or fiduciary of the Corporation or is or was serving or has agreed to serve at the request of the Corporation as a director, officer, employee, agent or fiduciary of another corporation, partnership, joint venture, trust or other enterprise or with respect to any employee benefit plan (or its participants or beneficiaries) of the corporation or any such other enterprise.

K. The invalidity or unenforceability of any provision of this Article shall not affect the validity or enforceability of the remaining provisions of this Article.

FIFTEENTH: No person who was or is a director of this Corporation shall be personally liable to the Corporation or its stockholders for monetary damages for breach of fiduciary duty as a director, except for liability (i) for breach of the duty of loyalty to the Corporation or its stockholders; (ii) for acts or omissions not in good faith or which involve intentional misconduct or knowing violation of law; (iii) under Section 174 of the Delaware General Corporation Law; or (iv) for any transaction from which the director derived an improper personal benefit. If the Delaware General Corporation Law is amended after the effective date of this Article to further eliminate or limit, or to authorize further elimination or limitation of, the personal liability of directors for breach of fiduciary duty as a director, then the personal liability of a director to this Corporation or its stockholders shall be eliminated or limited to the full extent permitted by the Delaware General Corporation Law, as so amended. For purposes of this Article, "fiduciary duty as a director" shall include any fiduciary duty arising out of serving at the request of this Corporation as a director of another corporation, partnership, joint venture, trust or other enterprise, and "personally liable to the Corporation" shall include any liability to such other Corporation, partnership, joint venture, trust or other enterprise, and any liability to this Corporation in its capacity as a security holder, joint venturer, partner, beneficiary, creditor or investor of or in any such other corporation, partnership, joint venture, trust or other enterprise.

Any repeal or modification of the foregoing paragraph by the

stockholders of this Corporation shall not adversely affect the elimination or limitation of the personal liability of a director for any act or omission occurring prior to the effective date of such repeal or modification. This provision shall not eliminate or limit the liability of a director for any act or omission occurring prior to the effective date of this Article.

- 85 -

SIXTEENTH: Whenever a compromise or arrangement is proposed between this Corporation and its creditors or any class of them and/or between this Corporation and its stockholders or any class of them, any court of equitable jurisdiction within the State of Delaware may, on the application in a summary way of this Corporation or of any creditor or stockholder thereof or on the application of any receiver or receivers appointed for this Corporation under the provisions of section 291 of Title 8 of the Delaware Code or on the application of trustees in dissolution or of any receiver or receivers appointed for this Corporation under the provisions of section 279 of Title 8 of the Delaware Code order a meeting of the creditors or class of creditors, and/or of the stockholders or class of stockholders of this Corporation, as the case may be, to be summoned in such manner as the said court directs. If a majority in number representing three-fourths in value of the creditors or class of creditors, and/or of the stockholders or class of stockholders of this Corporation, as the case may be, agree to any compromise or arrangement and to any reorganization of this Corporation as consequence of such compromise or arrangement, the said compromise or arrangement and the said reorganization shall, if sanctioned by the court to which the said application has been made, be binding on all the creditors or class of creditors, and/or on all the stockholders or class of stockholders of this Corporation, as the case may be, and also this Corporation.

SEVENTEENTH: The Corporation reserves the right to amend, alter, change or repeal any provision contained in this Restated Certificate of Incorporation, in the manner now or hereafter prescribed by statute, and all rights conferred upon the stockholders herein are granted subject to this reservation.

Notwithstanding the foregoing, the provisions set forth in Articles SIXTH, EIGHTH, NINTH, and TENTH may not be amended, altered or repealed in any respect nor may any provision inconsistent with any of such Articles be adopted unless such amendment, alteration, repeal or inconsistent provision is approved as specified in each such respective Article.

3. This Restated Certificate of Incorporation was duly authorized by a resolution duly adopted and approved by consent of the sole Director, dated as of May 1, 1987, the Corporation not yet having received payment for any of its stock, in accordance with the provisions of Section 241 and Section 245 of the General Corporation Law of the State of Delaware.

NEW NEWELL CO.

-----  
Pursuant to Section 151 of the  
General Corporation Law of the State of Delaware  
-----

The undersigned DOES HEREBY CERTIFY that the following resolution was duly adopted by the written consent of the sole director of New Newell Co., a Delaware corporation, on May 18, 1987:

RESOLVED by the Board of Directors of New Newell Co., a Delaware corporation (the "Corporation"), that, pursuant to authority expressly

granted to it by the Restated Certificate of Incorporation of the Corporation, a total of 7,500 shares of the preferred stock without par value, of the Corporation are hereby respectively constituted as Series 1 Cumulative Preferred Stock, Series 2 Cumulative Preferred Stock, Series 3 Cumulative Preferred Stock, Series 4 Cumulative Preferred Stock and Series 5 Cumulative Preferred Stock, with an aggregate stated value of \$15,000,000 (hereinafter called "Cumulative Preferred Stock"). Each series of such Cumulative Preferred Stock shall consist of 1,500 shares, with a stated value of \$2,000 per share. Shares of Cumulative Preferred Stock shall be issued only upon effectiveness of the merger of Newell Co., a Delaware corporation, and Newell Acquisition Corp., a Delaware corporation and wholly-owned subsidiary of the Corporation (the "Merger"). The preferences and the relative, participating, optional and other special rights of the shares of Cumulative Preferred Stock and the qualifications, limitations or restrictions thereof, shall be as follows:

1. CUMULATIVE DIVIDENDS. (a) The holders of record of shares of each series of Cumulative Preferred Stock shall be entitled to receive, when and as declared by the Board of Directors out of funds

legally available for the payment thereof, cumulative cash dividends at the rate specified in subsection (b) below, and no more. The holders of shares of Cumulative Preferred Stock shall not be entitled to any dividends other than the cash dividends provided for in this section. Dividends shall accrue daily from the date of issuance, whether or not earned or declared, and shall be payable quarterly on such dates as the Board of Directors may from time to time determine. The dividends shall be in preference to dividends upon any stock (including common stock) of the Corporation ranking junior to the Cumulative Preferred Stock as to dividends. If the Corporation has not paid full dividends upon the shares of Cumulative Preferred Stock for any preceding quarter, the Corporation shall declare and pay the amount for payment, before declaring or paying any cash dividends on the common stock of the Corporation. Accrued dividends on Cumulative Preferred Stock shall not bear interest.

(b) The dividend rate for each series of Cumulative Preferred Stock is as follows:

(i) For Series 1, cash dividends shall accrue at the rate of \$100 per share per annum until September 24, 1989, after which time the rate shall be \$160 per share per annum.

(ii) For Series 2, cash dividends shall accrue at the rate of \$100 per share per annum until September 24, 1990, after which time the rate shall be \$160 per share per annum.

(iii) For Series 3, cash dividends shall accrue at the rate of \$100 per share per annum until September 24, 1991, after which time the rate shall be \$160 per share per annum.

(iv) For Series 4, cash dividends shall accrue at the rate of \$100 per share per annum until September 24, 1992, after which time the rate shall be \$160 per share per annum.

(v) For Series 5, cash dividends shall accrue at the rate of \$100 per share per annum until September 24, 1993, after which time the rate shall be \$160 per share per annum.

2. LIQUIDATION. (a) In the event of a voluntary or involuntary liquidation, dissolution, or winding up of the Corporation, the holders of shares of Cumulative Preferred Stock shall be entitled to receive out of the assets of the Corporation an amount equal to the stated value per share plus an amount equal to any accrued and unpaid dividends thereon to the date fixed for distribution. This distribution shall be in preference to any such distribution upon any stock (including common stock) of the Corporation ranking junior to Cumulative Preferred Stock as to liquidation preferences, but subject to the prior rights of the holders of shares of all stock ranking

senior to Cumulative Preferred Stock as to liquidation preferences. If the assets of the Corporation are not sufficient to pay the full amounts to the holders of Cumulative Preferred Stock and all other series of preferred stock of the Corporation ranking equally with the shares of Cumulative Preferred Stock as to liquidation preferences, then the holders of Cumulative Preferred Stock and of such other series shall share ratably in the distribution of any assets remaining after distribution to holders of stock ranking senior to Cumulative Preferred Stock as to liquidation preferences.

(b) Nothing in this section, however, shall be deemed to prevent the Corporation from redeeming or purchasing Cumulative Preferred Stock as permitted by Section 3.

(c) A merger or consolidation of the Corporation with any other corporation or a sale, lease, or conveyance of assets or a business combination involving the Corporation or any related or similar transaction shall not be considered a liquidation, dissolution, or winding up the Corporation within the meaning of this section.

3. REDEMPTION. (a) The Corporation may redeem any or all shares of one or more series of Cumulative Preferred Stock at its option by resolution of the Board of Directors, at any time and from time to time on or after issuance, in cash, at the stated value of the shares plus an amount equal to any accrued and unpaid dividends thereon to the date fixed for redemption. In the event that the Corporation redeems less than the entire number of shares of any series of Cumulative Preferred Stock outstanding at any one time, the Corporation shall select the shares to be redeemed by lot or pro rata or by any other manner that the Board of Directors deems equitable. No less than 20 nor more than 120 days prior to the date fixed for any entire or partial redemption of Cumulative Preferred Stock, the Corporation shall mail a notice of the redemption to the holders of record of the shares to be redeemed at their addresses as they appear on the books of the Corporation. The notice shall state the time and place of redemption and shall identify the particular shares to be redeemed if less than all of the outstanding shares are to be redeemed. Failure to mail a notice or a defect in a notice or its mailing shall not affect the validity of the redemption proceedings.

(b) On or before the date fixed for redemption each holder of shares of Cumulative Preferred Stock called for redemption shall surrender his certificate representing his shares to the Corporation or its agent at the place designated in the redemption notice. If the Corporation redeems less than all of the shares represented by a surrendered certificate, the Corporation shall issue a new certificate representing the unredeemed shares. If the Corporation has duly given notice of redemption and if funds necessary for the redemption are available on the redemption date, then notwithstanding that any holder

- 90 -

has not surrendered his certificate representing shares called for redemption, all rights with respect to those shares shall cease and determine immediately after the redemption date, except that such a holder shall have the right to receive the redemption price without interest upon surrender of his certificate.

(c) The Corporation may, at its option at any time after giving a notice of redemption, deposit a sum sufficient to redeem the shares called for redemption, plus any accrued and unpaid dividends thereon to the redemption date, with any bank or trust company in the City of Chicago, Illinois, or in the City of Minneapolis, Minnesota, having capital, surplus, and undivided profits aggregating at least \$50,000,000 as a trust fund with irrevocable instructions and authority to the bank or trust company to mail notice of redemption if the Corporation has not begun or completed such mailing at the time of the deposit and to pay, on and after the date fixed for redemption or prior thereto, the redemption price of the shares to their respective holders upon the surrender of their share certificates. From the date the Corporation makes such a deposit, the shares designated for redemption shall be treated as redeemed and no longer outstanding, and

no dividends shall accrue on the shares after the date fixed for redemption. The deposit shall be deemed to constitute full payment of the shares to their holders. From the date of the deposit, the holders of the shares shall cease to be stockholders with respect to the shares; they shall have no interest in or claim against the Corporation by virtue of the shares; and they shall have no rights with respect to the shares except the right to receive from the bank or trust company payment of the redemption price of the shares, without interest, upon surrender of their certificates. At the expiration of five years after the redemption date, the bank or trust company shall pay over to the Corporation any funds then remaining on deposit, free of trust. Thereafter the holders of certificates for the shares shall have no claims against the bank or trust company, but only claims as unsecured creditors against the Corporation for amounts equal to their pro rata portions of the funds paid over, without interest, subject to compliance by the holders with the terms of the redemption. Any interest on or other accretions to funds deposited with the bank or trust company shall belong to the Corporation.

(d) Nothing in this Resolution shall prevent or restrict the Corporation from purchasing, from time to time, at public or private sale, any or all of the Cumulative Preferred Stock at whatever prices the Corporation may determine, but at prices not exceeding those permitted by Delaware law.

(e) Nothing in this Resolution shall give any holder of Cumulative Preferred Stock the right to require the Corporation to redeem any or all shares of the Stock.

- 91 -

4. CONVERSION. The Cumulative Preferred Stock is not convertible into any other class or series of common or preferred stock of the Corporation.

5. STATUS OF REACQUIRED STOCK. The Corporation shall retire and cancel any shares of Cumulative Preferred Stock that it redeems, purchases, or acquires. Such shares thereafter shall have the status of authorized but unissued shares of preferred stock. Subject to the limitations in this Resolution or in any resolutions adopted by the Board of Directors providing for the reissuance of the shares, the Corporation may reissue the shares as shares of Cumulative Preferred Stock or may reclassify and reissue them as preferred stock of any class or series other than Cumulative Preferred Stock.

6. VOTING RIGHTS. (a) Except as otherwise provided herein or as may be required by law, the holders of Cumulative Preferred Stock shall be entitled to one vote per share on every question submitted to holders of record of the common stock of the Corporation, voting together with the common stock of the Corporation as a single class.

(b) Notwithstanding the foregoing, (i) without the affirmative vote or consent of at least a majority of the shares of Cumulative Preferred Stock then outstanding voting as a separate class, the Corporation shall not amend the Restated Certificate of Incorporation if the amendment would alter or change the powers, preferences, or special rights of the shares of Cumulative Preferred Stock so as to affect them adversely, provided that this clause "(i)" shall not apply to an increase or decrease (but not below the number of shares thereof then outstanding) in the number of authorized shares of any class or classes of stock; and (ii) so long as at least 3,100 shares of Cumulative Preferred Stock are outstanding, without the affirmative vote or consent of the holders of at least a majority of the shares of Cumulative Preferred Stock then outstanding voting as a separate class, the Corporation shall not issue any stock ranking senior to the Cumulative Preferred Stock with respect to the payment of dividends or the distribution of assets upon liquidation, except that the Corporation may issue such stock if the consideration therefor consists of cash. For purposes of any vote required pursuant to clause (i) of this subsection (b) if any proposed amendment would alter or change the powers, preferences, or special rights of one or more of Series 1, 2, 3, 4, or 5 of Cumulative Preferred Stock so as to

affect them adversely but shall not so affect the entire class, then only the shares of the series so affected by the amendment shall be considered a separate class.

7. NO OTHER RIGHTS. The shares of Cumulative Preferred Stock shall not have any relative, participating, optional or other special rights or powers other than as set forth above and in the Restated Certificate of Incorporation of the Corporation.

-----  
Pursuant to Section 151 of the  
General Corporation Law of  
the State of Delaware  
-----

NEWELL CO., a corporation organized and existing under the General Corporation Law of the State of Delaware (hereinafter called the "Corporation"), hereby certifies that the following resolution was adopted by the Board of Directors of the Corporation as required by Section 151 of the General Corporation Law at a meeting duly called and held on October 20, 1988:

RESOLVED, that pursuant to the authority granted to and vested in the Board of Directors of this Corporation (hereinafter called the "Board of Directors" or the "Board") in accordance with the provisions of the Corporation's Restated Certificate of Incorporation, the Board of Directors hereby creates a series of Preferred Stock, par value \$1.00 per share (the "Preferred Stock"), of the Corporation and hereby states the designation and number of shares, and fixes the relative rights, preferences and limitations of such series, as follows:

Junior Participating Preferred Stock, Series B:

Section 1. Designation and Amounts. The shares of such series shall be designated as "Junior Participating Preferred Stock, Series B" (the "Series B Preferred Stock") and the number of shares constituting the Series B Preferred Stock shall be 500,000. Such number of shares may be increased or decreased by resolution of the Board; provided, that no decrease shall reduce the number of shares of Series B Preferred Stock to a number less than the number of shares then outstanding plus the number of shares reserved for issuance upon the exercise of outstanding options, rights or warrants or upon the conversion of any outstanding securities issued by the Corporation convertible into Series B Preferred Stock.

Section 2. Dividends and Distributions.

(A) Subject to the rights of the holders of any shares of

any series of Preferred Stock (or any similar stock) ranking prior and superior to the Series B Preferred Stock with respect to dividends, the holders of shares of Series B Preferred Stock, in preference to the holders of Common Stock, par value \$1.00 per share (the "Common Stock"), of the Corporation, and of any other junior stock, shall be entitled to receive, when, as and if declared by the Board of Directors out of funds legally available for the purpose, quarterly dividends payable in cash on the first day of March, June, September and December in each year (each such date being referred to herein as a "Quarterly Dividend Payment Date"), commencing on the first Quarterly Dividend Payment Date after the first issuance of a share or fraction of a share of Series B Preferred Stock, in an amount per share (rounded to the nearest cent) equal to the greater of (a) \$15 or (b) subject to the provision for adjustment hereinafter set forth, 100 times the aggregate per share amount of all cash dividends, and 100 times the aggregate per share amount (payable in kind) of all non-cash dividends or other distributions, other than a dividend payable in shares of Common Stock or a subdivision of the outstanding shares of Common Stock (by reclassification or otherwise), declared on the Common Stock since the immediately preceding Quarterly Dividend Payment Date or, with respect to the first Quarterly Dividend Payment Date, since the first issuance of any share or fraction of a share of Series B Preferred Stock. In the event the Corporation shall at any time declare or pay any dividend on the Common Stock payable in shares of Common Stock, or effect a subdivision or combination or consolidation of the outstanding shares of Common Stock (by reclassification or otherwise than by payment of a dividend in shares of Common Stock) into a greater or lesser number of shares of Common Stock, then in each such case the amount to which holders of shares of Series B Preferred Stock were entitled immediately prior to such event under clause (b) of the preceding sentence shall be adjusted by multiplying such amount by a fraction, the numerator of which is the number of shares of Common Stock outstanding immediately after such event and the denominator of which is the number of shares of Common Stock that were outstanding immediately prior to such event.

(B) The Corporation shall declare a dividend or distribution on the Series B Preferred Stock as provided in paragraph (A) of this Section immediately after it declares a dividend or distribution on the Common Stock (other than a dividend payable in shares of Common Stock); provided that, in the event no dividend or distribution shall have been declared on the Common Stock during the period between any Quarterly Dividend

- 97 -

Payment Date and the next subsequent Quarterly Dividend Payment Date, a dividend of \$15 per share on the Series B Preferred Stock shall nevertheless be payable on such subsequent Quarterly Dividend Payment Date.

(C) Dividends shall begin to accrue and be cumulative on outstanding shares of Series B Preferred Stock from the Quarterly Dividend Payment Date next preceding the date of issue of such shares, unless the date of issue of such shares is prior to the record date for the first Quarterly Dividend Payment Date, in which case dividends on such shares shall begin to accrue from the date of issue of such shares, or unless the date of issue is a Quarterly Dividend Payment Date or is a date after the record date for the determination of holders of shares of Series B Preferred Stock entitled to receive a quarterly dividend and before such Quarterly Dividend Payment Date, in either of which events such dividends shall begin to accrue and be cumulative from such Quarterly Dividend Payment Date. Accrued but unpaid dividends shall not bear interest. Dividends paid on the shares of Series B Preferred Stock in an amount less than the total amount of such dividends at the time accrued and payable on such shares shall be allocated pro rata on a share-by-share basis among all such shares at the time outstanding. The Board of Directors may fix a record date for the determination of holders

of shares of Series B Preferred Stock entitled to receive payment of a dividend or distribution declared thereon, which record date shall be not more than 60 days prior to the date fixed for the payment thereof.

Section 3. Voting Rights. The holders of shares of Series B Preferred Stock shall have the following voting rights:

(A) Subject to the provision for adjustment hereinafter set forth, each share of Series B Preferred Stock shall entitle the holder thereof to 100 votes on all matters submitted to a vote of the stockholders of the Corporation. In the event the Corporation shall at any time declare or pay any dividend on the Common Stock payable in shares of Common Stock, or effect a subdivision or combination or consolidation of the outstanding shares of Common Stock (by reclassification or otherwise than by payment of a dividend in shares of Common Stock) into a greater or lesser number of shares of Common Stock, then in each such case the number of votes per share to which holders of shares of Series B Preferred Stock were entitled immediately prior to such event shall be adjusted by multiplying such number by a fraction, the numerator of which is the number of shares of Common Stock outstanding immediately after such event and the denominator of which is the number of shares of Common Stock that were outstanding immediately prior to such event.

- 98 -

(B) Except as otherwise provided herein, in any other Certificate of Designations creating a series of Preferred Stock or any similar stock, or by law, the holders of shares of Series B Preferred Stock and the holders of shares of Common Stock and any other capital stock of the Corporation having general voting rights shall vote together as one class on all matters submitted to a vote of stockholders of the Corporation.

(C) Except as set forth herein, or as otherwise provided by law, holders of Series B Preferred Stock shall have no special voting rights and their consent shall not be required (except to the extent they are entitled to vote with holders of Common Stock as set forth herein) for taking any corporate action.

Section 4. Certain Restrictions.

(A) Whenever quarterly dividends or other dividends or distributions payable on the Series B Preferred Stock as provided in Section 2 are in arrears, thereafter and until all accrued and unpaid dividends and distributions, whether or not declared, on shares of Series B Preferred Stock outstanding shall have been paid in full, the Corporation shall not:

(i) declare or pay dividends, or make any other distributions, on any shares of stock ranking junior (either as to dividends or upon liquidation, dissolution or winding up) to the Series B Preferred Stock;

(ii) declare or pay dividends, or make any other distributions, on any shares of stock ranking on a parity (either as to dividends or upon liquidation, dissolution or winding up) with the Series B Preferred Stock, except dividends paid ratably on the Series B Preferred Stock and all such parity stock on which dividends are payable or in arrears in proportion to the total amounts to which the holders of all such shares are then entitled;

(iii) redeem or purchase or otherwise acquire for consideration shares of any stock ranking junior (either as to dividends or upon liquidation, dissolution or winding up) to the Series B Preferred Stock, provided that the Corporation may at any time redeem, purchase or otherwise acquire shares of any

such junior stock in exchange for shares of any stock of the Corporation ranking junior (either as to dividends or upon dissolution, liquidation or winding up) to the Series B Preferred Stock; or

- 99 -

(iv) redeem or purchase or otherwise acquire for consideration any shares of Series B Preferred Stock, or any shares of stock ranking on a parity with the Series B Preferred Stock, except in accordance with a purchase offer made in writing or by publication (as determined by the Board of Directors) to all holders of such shares upon such terms as the Board of Directors, after consideration of the respective annual dividend rates and other relative rights and preferences of the respective series and classes, shall determine in good faith will result in fair and equitable treatment among the respective series or classes.

(B) The Corporation shall not permit any subsidiary of the Corporation to purchase or otherwise acquire for consideration any shares of stock of the Corporation unless the Corporation could, under paragraph (A) of this Section 4, purchase or otherwise acquire such shares at such time and in such manner.

Section 5. Reacquired Shares. Any shares of Series B Preferred Stock purchased or otherwise acquired by the Corporation in any manner whatsoever shall be retired and cancelled promptly after the acquisition thereof. All such shares shall upon their cancellation become authorized but unissued shares of Preferred Stock and may be reissued as part of a new series of Preferred Stock subject to the conditions and restrictions on issuance set forth herein, in the Corporation's Restated Certificate of Incorporation or in any other Certificate of Designations creating a series of Preferred Stock or any similar stock or as otherwise required by law.

Section 6. Liquidation, Dissolution or Winding Up. Upon any liquidation, dissolution or winding up of the Corporation, no distribution shall be made (A) to the holders of shares of stock ranking junior (either as to dividends or upon liquidation, dissolution or winding up) to the Series B Preferred Stock unless, prior thereto, the holders of shares of Series B Preferred Stock shall have received \$10,000 per share, plus an amount equal to accrued and unpaid dividends and distributions thereon, whether or not declared, to the date of such payment, provided that the holders of shares of Series B Preferred Stock shall be entitled to receive an aggregate amount per share, subject to the provision for adjustment hereinafter set forth, equal to 100 times the aggregate amount to be distributed per share to holders of shares of Common Stock, or (B) to the holders of shares of stock ranking on a parity (either as to dividends or upon liquidation, dissolution or winding up) with the Series B Preferred Stock, except distributions made ratably on the Series B Preferred Stock and all such parity stock in proportion to the total amounts to which the holders of all such shares are entitled upon such liquidation, dissolution or winding up. In the event the Corporation

In the event the Corporation shall at any time declare or pay any dividend on the Common Stock payable in shares of Common Stock, or effect a subdivision or combination or consolidation of the outstanding shares of Common Stock (by reclassification or otherwise than by payment of a dividend in shares of Common Stock) into a greater or lesser number of shares of Common Stock, then in each such case the amount set forth in the preceding sentence with respect to the exchange or change of shares of Series B Preferred Stock shall be adjusted by multiplying such amount by a fraction, the numerator of which is the number of shares of Common Stock outstanding immediately after such event and the denominator of which is the number of shares of Common Stock that were outstanding immediately prior to such event.

Section 8. No Redemption. The shares of Series B Preferred Stock shall not be redeemable.

Section 9. Rank. The Series B Preferred Stock shall rank, with respect to the payment of dividends and the distribution of assets, junior to all series of any other class of the Corporation's Preferred Stock.

Section 10. Amendment. The Restated Certificate of Incorporation of the Corporation shall not be amended in any manner which would materially alter or change the powers, preferences or

- 101 -

EXHIBIT 3.2

BY-LAWS

OF

NEWELL CO.

(a Delaware corporation)  
(as amended November 2, 1994)

ARTICLE I

OFFICES

-----

1.1 Registered Office. The registered office of the Corporation in the State of Delaware shall be located in the City of Dover and County of Kent. The Corporation may have such other offices, either within or without the State of Delaware, as the Board of Directors may designate or the business of the Corporation may require from time to time.

1.2 Principal Office in Illinois. The principal office of the Corporation in the State of Illinois shall be located in the City of Freeport and County of Stephenson.

ARTICLE II

STOCKHOLDERS

-----

2.1 Annual Meeting. The annual meeting of stockholders shall be held each year at such time and date as the Board of Directors may designate prior to the giving of notice of such meeting, but if no such designation is made, then the annual meeting of stockholders shall be held on the second Wednesday in May of each year for the election of directors and for the transaction of such other business as may come before the meeting. If the day fixed for the annual meeting shall be a legal holiday, such meeting shall be held on the next succeeding business day.

2.2 Special Meetings. Special meetings of the stockholders, for any purpose or purposes, may be called by the Chairman, by the Board of Directors or by the President.

2.3 Place of Meeting. The Board of Directors may designate any place, either within or without the State of Delaware, as the place

111

of meeting for any annual meeting or for any special meeting called by the Board of Directors. If no designation is made, or if a special meeting be otherwise called, the place of meeting shall be the principal office of the Corporation in the State of Illinois.

2.4 Notice of Meeting. Written notice stating the place, date and hour of the meeting, and, in the case of a special meeting, the purpose or purposes for which the meeting is called, shall be given not less than ten nor more than sixty days before the date of the meeting, or in the case of a merger or consolidation of the Corporation requiring stockholder approval or a sale, lease or exchange of substantially all of the Corporation's property and assets, not less than twenty nor more than sixty days before the date of meeting, to each stockholder of record entitled to vote at such meeting. If mailed, notice shall be deemed given when deposited in

the United States mail, postage prepaid, directed to the stockholder at his address as it appears on the records of the Corporation. When a meeting is adjourned to another time or place, notice need not be given of the adjourned meeting if the time and place thereof are announced at the meeting at which the adjournment is taken, unless the adjournment is for more than thirty days, or unless, after adjournment, a new record date is fixed for the adjourned meeting, in either of which cases notice of the adjourned meeting shall be given to each stockholder of record entitled to vote at the meeting.

2.5 Fixing of Record Date. For the purpose of determining the stockholders entitled to notice of or to vote at any meeting of stockholders or any adjournment thereof, or to express consent (to the extent permitted, if permitted) to corporate action in writing without a meeting, or entitled to receive payment of any dividend or other distribution or allotment of any rights, or entitled to exercise any rights in respect of any change, conversion or exchange of stock or for the purpose of any other lawful action, the Board of Directors may fix, in advance, a record date, which shall not be more than sixty nor less than ten days before the date of such meeting, nor more than sixty days prior to any other action. If no record date is fixed, the record date for determining stockholders entitled to notice of or to vote at a meeting of stockholders shall be the close of business on the day next preceding the day on which notice is given, or, if notice is waived, at the close of business on the day next preceding the day on which the meeting is held, and the record date for determining stockholders for any other purpose shall be the close of business on the day on which the Board of Directors adopts the resolution relating thereto. A determination of stockholders of record entitled to notice of or to vote at a meeting of stockholders shall apply to any adjournment of the meeting unless the Board of Directors fixes a new record date for the adjourned meeting.

2.6 Voting Lists. The officer who has charge of the stock ledger of the Corporation shall prepare and make, at least ten days

- 112 -

before every meeting of stockholders, a complete list of the stockholders entitled to vote at the meeting, arranged in alphabetical order, and showing the address of each stockholder and the number of shares registered in his name, which list, for a period of ten days prior to such meeting, shall be kept on file either at a place within the city where the meeting is to be held and which place shall be specified in the notice of the meeting, or, if not so specified, at the place where the meeting is to be held, and shall be open to the examination of any stockholder, for any purpose germane to the meeting, at any time during ordinary business hours. Such lists shall also be produced and kept at the time and place of the meeting during the whole time thereof, and may be inspected by any stockholder who is present. The stock ledger shall be the only evidence as to who are the stockholders entitled to examine the stock ledger, the list of stockholders entitled to vote, or the books of the Corporation, or to vote in person or by proxy at any meeting of stockholders.

2.7 Quorum. The holders of shares of stock of the Corporation entitled to cast a majority of the total votes that all of the outstanding shares of stock of the Corporation would be entitled to cast at the meeting, represented in person or by proxy, shall constitute a quorum at any meeting of stockholders; provided, that if less than a majority of the outstanding shares of capital stock are represented at said meeting, a majority of the shares of capital stock so represented may adjourn the meeting. If a quorum is present, the affirmative vote of a majority of the votes entitled to be cast by the holders of shares of capital stock represented at the meeting shall be the act of the stockholders, unless a different number of votes is required by the General Corporation Law, the Certificate of Incorporation or these By-Laws. At any adjourned meeting at which a quorum shall be present, any business may be transacted which might have been transacted at the original meeting. Withdrawal of stockholders from any meeting shall not cause failure of a duly constituted quorum at that meeting.

2.8 Proxies. Each stockholder entitled to vote at a meeting of

stockholders or to express consent or dissent to corporate action in writing without a meeting may authorize another person or persons to act for him by proxy, but no such proxy shall be voted or acted upon after three years from its date, unless the proxy provides for a longer period.

2.9 Voting of Stock. Each stockholder shall be entitled to such vote as shall be provided in the Certificate of Incorporation, or, absent provision therein fixing or denying voting rights, shall be entitled to one vote per share with respect to each matter submitted to a vote of stockholders.

2.10 Voting of Stock by Certain Holders. Persons holding stock in a fiduciary capacity shall be entitled to vote the shares so held.

- 113 -

Persons whose stock is pledged shall be entitled to vote, unless in the transfer by the pledgor on the books of the Corporation he has expressly empowered the pledgee to vote thereon, in which case only the pledgee or his proxy may represent such stock and vote thereon. Stock standing in the name of another corporation, domestic or foreign, may be voted by such officer, agent or proxy as the charter or by-laws of such corporation may prescribe or, in the absence of such provision, as the board of directors of such corporation may determine. Shares of its own capital stock belonging to the Corporation or to another corporation, if a majority of the shares entitled to vote in the election of directors of such other corporation is held by the Corporation, shall neither be entitled to vote nor counted for quorum purposes, but shares of its capital stock held by the Corporation in a fiduciary capacity may be voted by it and counted for quorum purposes.

2.11 Voting by Ballot. Voting on any question or in any election may be by voice vote unless the presiding officer shall order or any stockholder shall demand that voting be by ballot.

### ARTICLE III

#### DIRECTORS

-----

3.2 Number, Tenure and Qualification. Any director may resign at any time upon written notice to the Corporation. Directors need not be stockholders of the Corporation.

3.3 Regular Meetings. A regular meeting of the Board of Directors shall be held without other notice than this By-Law, immediately after, and at the same place as, the annual meeting of stockholders. The Board of Directors may provide, by resolution, the time and place, either within or without the State of Delaware, for the holding of additional regular meetings without other notice than such resolution.

3.4 Special Meetings. Special meetings of the Board of Directors may be called by or at the request of the Vice Chairman and Chief Executive Officer or any two directors. The person or persons authorized to call special meetings of the Board of Directors may fix any place, either within or without the State of Delaware, as the

- 114 -

place for holding any special meeting of the Board of Directors called by them.

3.5 Notice. Notice of any special meeting of directors, unless waived, shall be given, in accordance with Section 3.6 of the By-Laws, in person, by mail, by telegram or cable, by telephone, or by any other means that reasonably may be expected to provide similar notice.

Notice by mail and, except in emergency situations as described below, notice by any other means, shall be given at least two (2) days before the meeting. For purposes of dealing with an emergency situation, as conclusively determined by the director(s) or officer(s) calling the meeting, notice may be given in person, by telegram or cable, by telephone, or by any other means that reasonably may be expected to provide similar notice, not less than two hours prior to the meeting. If the secretary shall fail or refuse to give such notice, then the notice may be given by the officer(s) or director(s) calling the meeting. Any meeting of the Board of Directors shall be a legal meeting without any notice thereof having been given, if all the directors shall be present at the meeting. The attendance of a director at any meeting shall constitute a waiver of notice of such meeting, and no notice of a meeting shall be required to be given to any director who shall attend such meeting. Neither the business to be transacted at, nor the purpose of, any regular or special meeting of the Board of Directors need be specified in the notice or waiver of notice of such meeting.

If notice to a director is given by mail, such notice shall be deemed to have been given when deposited in the United States mail, postage prepaid, addressed to the director at his address as it appears on the records of the Corporation. If notice to a director is given by telegram, cable or other means that provide written notice, such notice shall be deemed to have been given when delivered to any authorized transmission company, with charges prepaid, addressed to the director at his address as it appears on the records of the Corporation. If notice to a director is given by telephone, wireless, or other means of voice transmission, such notice shall be deemed to have been given when such notice has been transmitted by telephone, wireless or such other means to such number or call designation as may appear on the records of the Corporation for such director.

3.7 Quorum. Except as otherwise required by the General Corporation Law or by the Certificate of Incorporation, a majority of the number of directors fixed by these By-Laws shall constitute a quorum for the transaction of business at any meeting of the Board of Directors, provided that, if less than a majority of such number of directors are present at said meeting, a majority of the directors present may adjourn the meeting from time to time without further notice. Interested directors may be counted in determining the

- 115 -

presence of a quorum at a meeting of the Board of Directors or of a committee thereof.

3.8 Manner of Acting. The vote of the majority of the directors present at a meeting at which a quorum is present shall be the act of the Board of Directors.

3.9 Action Without a Meeting. Any action required or permitted to be taken at any meeting of the Board of Directors, or of any committee thereof, may be taken without a meeting if all the members of the Board or committee, as the case may be, consent thereto in writing, and the writing or writings are filed with the minutes of proceedings of the Board or committee.

3.10 Vacancies. Vacancies on the Board of Directors, newly created directorships resulting from any increase in the authorized number of directors or any vacancies in the Board of Directors resulting from death, disability, resignation, retirement, disqualification, removal from office or other cause shall be filled in accordance with the provisions of the Certificate of Incorporation.

3.11 Compensation. The Board of Directors, by the affirmative vote of a majority of directors then in office, and irrespective of any personal interest of any of its members, shall have authority to

establish reasonable compensation of all directors for services to the Corporation as directors, officers, or otherwise. The directors may be paid their expenses, if any, of attendance at each meeting of the Board and at each meeting of any committee of the Board of which they are members in such manner as the Board of Directors may from time to time determine.

3.12 Presumption of Assent. A director of the Corporation who is present at a meeting of the Board of Directors or at a meeting of any committee of the Board at which action on any corporate matter is taken shall be conclusively presumed to have assented to the action taken unless his dissent shall be entered in the minutes of the meeting or unless he shall file his written dissent to such action with the person acting as the secretary of the meeting before the adjournment thereof or shall forward such dissent by registered mail to the Secretary of the Corporation within 24 hours after the adjournment of the meeting. Such right to dissent shall not apply to a director who voted in favor of such action.

3.13 Committees. By resolution passed by a majority of the whole Board, the Board of Directors may designate one or more committees, each such committee to consist of two or more directors of the Corporation. The Board may designate one or more directors as alternate members of any committee, who may replace any absent or disqualified member of any meeting of the committee. Any such committee, to the extent provided in the resolution or in these By-

- 116 -

Laws, shall have any may exercise the powers of the Board of Directors in the management of the business and affairs of the Corporation, and may authorize the seal of the Corporation to be affixed to all papers which may require it. In the absence or disqualification of any member of such committee or committees, the member or members thereof present at the meeting and not disqualified from voting, whether or not he or they constitute a quorum, may unanimously appoint another member of the Board of Directors to act at the meeting in the place of such absent or disqualified member.

### LIABILITY AND INDEMNIFICATION

-----

#### 7.1 Limited Liability of Directors.

(a) No person who was or is a director of this Corporation shall be personally liable to the Corporation or its stockholders for monetary damages for breach of fiduciary duty as a director, except for liability (i) for breach of the duty of loyalty to the Corporation or its stockholders; (ii) for acts of omissions not in good faith or that involve intentional misconduct or know violation of law; (iii) under Section 174 of the General Corporation Law; or (iv) for any transaction from which the director derived any improper personal benefit. If the General Corporation Law is amended after the effective date of the By-Law to further eliminate or limit, or to the effective date of this By-Law to further eliminate or limit, or to authorize further elimination or limitation of, the personal liability of a director to this Corporation or its stockholders shall be eliminated or limited to the full extent permitted by the General Corporation Law, as so amended. For Purposes of this By-Law, "fiduciary duty as a director" shall include any fiduciary duty arising out of serving at the request of this Corporation as a director of another corporation, partnership, joint venture, trust or other enterprise, and any liability to such other corporation, partnership, joint venture, trust or other enterprise, and any liability to this Corporation in its capacity as a security holder, joint venturer, partner, beneficiary, creditor, or investor of or in any such other corporation, partnership, joint venture, trust or other enterprise.

- 122 -

(b) Any repeal or modification of the foregoing paragraph by the stockholders of this Corporation shall not adversely affect the elimination or limitation of the personal liability of a director for any act or omission occurring prior to the effective date of such repeal or modification. This provision shall not eliminate or limit the liability of a director for any act or omission occurring prior to the effective date of this By-Law.

7.2 Litigation Brought by Third Parties. The Corporation shall indemnify any person who was or is a party or is threatened to be made a party to any threatened, pending or completed action, suit or proceeding, whether civil, criminal, administrative or investigative (other than an action by or in the right of the Corporation) by reason of the fact that he is or was or has agreed to become a director or officer of the Corporation; or is or was serving or has agreed to serve at the request of the Corporation as a director or officer of the Corporation as a director or officer of another corporation, partnership, joint venture, trust or other enterprise, or by reason of any action alleged to have been taken or omitted in such capacity, against costs, charges and other expenses (including attorneys' fees) ("Expenses"), judgements, fines and amounts paid in settlement

actually and reasonably incurred by him in connection with such action, suit or proceeding and any appeal thereof if he acted in good faith and in a manner he reasonably believed to be in or not opposed to the best interests of the Corporation, and, with respect to any criminal action or proceeding, had no reasonable cause to believe his conduct was unlawful. The termination of any action, suit or proceeding by judgment, order, settlement, conviction, or plea of nolo contendere or its equivalent, shall not, of itself, create a presumption that the person did not act in good faith and in a manner he reasonably believed to be in or not opposed to the best interests of the Corporation, and, with respect to any criminal action or proceeding, had reasonable cause to believe that his conduct was unlawful. For purposes of this By-Law, "serving or has agreed to serve at the request of the Corporation as a director or officer of another corporation, partnership, joint venture, trust or other enterprise" shall include any service by a director or officer of the Corporation as a director, officer, employee, director or officer of the Corporation as a director, officer, employee, agent or fiduciary of such other corporation, partnership, joint venture trust or other enterprise, or with respect to any employee benefit plan (or its participants or beneficiaries) of the Corporation or any such other enterprise.

The Corporation shall indemnify any person who was or is a party or is threatened to be made a party to any threatened, pending or completed action or suit by or in the right of the Corporation to procure a judgment in its favor by reason of the fact that he is or was or has agreed to become a director or officer of the Corporation, or is or

- 123 -

was serving or has agreed to serve at the request of the Corporation as a director or officer of another corporation, partnership, joint venture, trust or other enterprise, or by reason of any action alleged to have been taken or omitted in such capacity against Expenses actually and reasonably incurred by him in connection with the investigation, defense or settlement of such action or suit and any appeal thereof if he acted in good faith and in a manner he reasonably believed to be in or not opposed to the best interests of the Corporation and except that no indemnification shall be made in respect of any claim, issue or matter as to which such person shall have been adjudged to be liable to the Corporation unless and only to the extent that the Court of Chancery of Delaware or the court in which such action or suit was brought shall determine upon application that, despite the adjudication of liability but in view of all the circumstances of the case, such person is fairly and reasonably entitled to indemnity for such Expenses as the Court of Chancery of Delaware or such other court shall deem proper.

7.4 Successful Defense. To the extent that any person referred to in section 7.2 or 7.3 of these By-Laws has been successful on the merits or otherwise, including, without limitation, the dismissal of an action without prejudice, in defense of any action, suit or proceeding referred to therein or in defense of any claim, issue or matter therein, he shall be indemnified against Expenses actually and reasonably incurred by him in connection therewith.

7.5 Determination of Conduct. Any indemnification under section 7.2 or 7.3 of these By-Laws (unless ordered by a court) shall be made by the Corporation only as authorized in the specific case upon a determination that indemnification of the director or officer is proper in the circumstances because he has met the applicable standard of conduct set forth in section 7.2 or 7.3. Such determination shall be made (i) by the Board of Directors by a majority vote of a quorum (as defined in these By-laws) consisting of directors who were not parties to such action, suit or proceeding, or (ii) if such quorum is not obtainable, or, even if obtainable a quorum of disinterested directors so directs, by independent legal counsel in a written opinion, or (iii) by the stockholders.

7.6 Advance Payment. Expenses incurred in defending a civil or criminal action, suit or proceeding shall be paid by the Corporation in advance of the final disposition of such action, suit or proceeding

and any appeal upon receipt by the Corporation of an undertaking by or on behalf of the director or officer to repay such amount if it shall ultimately be determined that the is not entitled to be indemnified by the Corporation.

7.7 Determination of Entitlement to Indemnification. The determination of the entitlement of any person to indemnification under section 7.2, 7.3 or 7.4 or to advancement of Expenses under

- 124 -

section 7.6 of these By-Laws shall be made promptly, and in any event within 60 days after the Corporation has received a written request for payment from or on behalf of a director or officer and payment of amounts due under such sections shall be made immediately after such determination. If no disposition of such request is made within said 60 days or if payment has not been made within 10 days thereafter, or if such request is rejected, the right to indemnification or advancement of Expenses provided by this By-Law shall be enforceable by or on behalf of the director or officer in any court of competent jurisdiction. In addition to the other amounts due under this By-Law, Expenses incurred by or on behalf of a director or officer in successfully establishing his right to indemnification or advancement of Expenses, in whole or in part, in any such action (or settlement thereof) shall be paid by the Corporation.

7.8 By-Laws Not Exclusive: Change in Law. The indemnification and advancement of Expenses provided by these By-Laws shall not be deemed exclusive of any other rights to which those seeking indemnification or advancement of Expenses may be entitled under any law (common or statutory), the Certificate of Incorporation, agreement, vote of stockholders or disinterested directors or otherwise, both as to action in his official capacity and as to action in another capacity while holding such office, or while employed by or acting as a director or officer of the Corporation or as a director or officer of another corporation, partnership, joint venture, trust or other enterprise, and shall continue as to a person who has ceased to be a director or officer and shall inure to the benefit of the heirs, executors and administrators of such a person. Notwithstanding the provisions of these By-Laws, the Corporation shall indemnify or make advancement of Expenses to any person referred to in section 7.2 or 7.3 of this By-Law to the full extent permitted under the laws of Delaware and any other applicable laws, as they now exist or as they may be amended in the future.

7.9 Contract Rights. All rights to indemnification and advancement of Expenses provided by these By-Laws shall be deemed to be a contract between the Corporation and each director or officer of the Corporation who serves, served or has agreed to serve in such capacity, or at the request of the Corporation as director or officer of another corporation, partnership, joint venture, trust or other enterprise, at any time while these By-Laws and the relevant provisions of the General Corporation Law or other applicable law, if any, are in effect. Any repeal or modification of these By-Laws, or any repeal or modification of relevant provisions of the Delaware General Corporation Law or any other applicable law, shall not in any way diminish any rights to indemnification of or advancement of Expenses to such director or officer or the obligations of the Corporation.

- 125 -

(D) in the case of a Set Rate Auction, the rate of interest per annum (rounded to the nearest 1/10,000th of 1%) (the "Money Market Rate") offered for each such Money Market Loan; and

(E) the identity of the quoting Bank.

No Money Market Quote shall contain qualifying, conditional or similar language or propose terms other than or in addition to those set forth in the applicable Money Market Quote Request and, in particular, no Money Market Quote may be conditioned upon acceptance by the Company of all (or some specified minimum) of the principal amount of the Money Market Loan for which such Money Market Quote is being made; provided that the submission of any Bank containing more than one Money Market Quote may be conditioned on the Company not accepting

offers contained in such submission that would result in such Bank making Money Market Loans pursuant thereto in excess of a specified aggregate amount (the "Money Market Loan Limit").

(d) The Agent shall (x) in the case of a Set Rate Auction, as promptly as practicable after the Money Market Quote is submitted (but in any event not later than 11:15 a.m. New York time) or (y) in the case of a LIBOR Auction, by 4:00 p.m. New York time on the day a Money Market Quote is submitted, notify the Company of the terms (i) of any Money Market Quote submitted by a Bank that is in accordance with Section 2.03(c) hereof and (ii) of any Money Market Quote that amends, modifies or is otherwise inconsistent with a previous Money Market Quote submitted by such Bank with respect to the same Money Market Quote Request. Any such subsequent Money Market Quote shall be disregarded by the Agent unless such subsequent Money Market Quote is submitted solely to correct a manifest error in such former Money Market Quote. The Agent's notice to the Company shall specify (A) the aggregate principal amount of the Money Market Borrowing for which offers have been received and (B) the respective principal amounts and Money Market Margins or Money Market Rates, as the case may be, so offered by each Bank (identifying the Bank that made each Money Market Quote).

(e) Not later than (x) 11:00 a.m. New York time on the third Business Day prior to the proposed date of borrowing, in the case of a LIBOR Auction or (y) noon New York time on the proposed date of borrowing, in the case of a Set Rate Auction, the Company shall notify the Agent of its acceptance or nonacceptance of the offers so notified to it pursuant to Section 2.03(d) hereof (which notice shall specify the aggregate principal amount of offers from each Bank for each Interest Period that are accepted; and the failure of the Company

to give such notice by such time shall constitute non-acceptance) and the Agent shall promptly notify each affected Bank of the acceptance or non-acceptance of its offers. The notice by the Agent shall also specify the aggregate principal amount of offers for each Interest Period that were accepted. The Company may accept any Money Market Quote in whole or in part (provided that any Money Market Quote accepted in part from any Bank shall be in an integral multiple of \$1,000,000); provided that:

(i) the aggregate principal amount of each Money Market Borrowing may not exceed the applicable amount set forth in the related Money Market Quote Request;

-----  
Credit Agreement  
-----

- 153 -

(ii) the aggregate principal amount of each Money Market Borrowing shall be at least \$5,000,000 (or an integral multiple of \$1,000,000 in excess thereof) but shall not cause the limits specified in Section 2.03(a) hereof to be violated);

(iii) acceptance of offers may, subject to clause (v) below, only be made in ascending order of Money Market Margins or Money Market Rates, as the case may be;

(iv) the Company may not accept any offer where the Agent has advised the Company that such offer fails to comply with Section 2.03(c)(ii) hereof or otherwise fails to comply with the requirements of this Agreement (including, without limitation, Section 2.03(a) hereof); and

(v) the aggregate principal amount of each Money Market Borrowing from any Bank may not exceed any applicable Money Market Loan Limit of such Bank.

If offers are made by two or more Banks with the same Money Market Margins or Money Market Rates, as the case may be, for a greater aggregate principal amount than the amount in respect of which offers are accepted for the related Interest Period, the principal amount of Money Market Loans in respect of which such offers are accepted shall be allocated by the Company among such Banks as nearly as possible (in an integral multiple of \$1,000,000) in proportion to the aggregate principal amount of such offers. Determinations by the Company of the amounts of Money Market Loans shall be conclusive in the absence of manifest error.

(f) Any Bank whose offer to make any Money Market Loan has been accepted in accordance with the terms and conditions of this Section 2.03 shall, not later than 2:00 p.m. New York time on the date specified for the making of such Loan, make the amount of such Loan available to the Agent at the Principal Office in immediately available funds. The amount so received by the Agent shall, subject to the terms and conditions of this Agreement, promptly be made available to the Company on such date by depositing the same, in immediately available funds, in an account of the Company maintained with Chase at the Principal Office designated by the Company.

(g) The amount of any Money Market Loan made by any Bank shall not constitute a utilization of such Bank's Commitment.

2.04 Acceptances.

(a) In addition to borrowings of Loans, each Drawer may, as set forth in this Section 2.04, request the Banks to make offers to create and discount Acceptances that arise out of Domestic Shipments. The Banks may, but shall have no obligation to, make such offers in the manner provided in this Section 2.04, and the Drawer submitting any such request may, but shall have no obligation to, accept any such offers made in response to such request, provided that:

(i) the aggregate outstanding amount of all Acceptance Liabilities, together with the aggregate outstanding principal amount of all Loans, at any one time shall not exceed the aggregate amount of the Commitments at such time; and

(ii) in no event shall the Maturity Date of any Acceptance occur on or after the Commitment Termination Date.

(b) When a Drawer wishes to request offers to create and discount Acceptances, it shall give the Agent (which shall promptly notify the Banks) notice in the form of Exhibit G hereto (an "Acceptance Quote Request") so as to be received by the Agent no later than 11:00 a.m. New York time on the Business Day next preceding the date proposed therein for the creation and discount of such Acceptances, specifying:

(i) the aggregate face amount of such Acceptances (which shall be at least \$5,000,000 or any integral multiple of \$100,000 in excess thereof);

(ii) the Tenor of such Acceptances (which in any event may not exceed six months);

(iii) the type and C.I.F. value of the goods out of whose Domestic Shipment such Acceptances will arise;

(iv) the date of shipment (which in any event may not be more than 30 days prior to the date proposed in the Acceptance Quote Request for the creation and discount of such Acceptances);

(v) the city and state of origin of shipment; and

(vi) the city and state of destination of shipment.

-----  
Credit Agreement  
-----

Each Acceptance Quote Request shall constitute a certification by a Drawer, with respect to the Acceptances requested in such Acceptance Quote Request, to the effect set forth below:

(i) such Acceptances will arise out of a Domestic Shipment;

(ii) the aggregate face amount of such Acceptances will not exceed the aggregate C.I.F. value of the goods included in such Domestic Shipment;

(iii) no other financing has been or will be outstanding with respect to such Domestic Shipment;

(iv) the Maturity Date of such Acceptances will be reasonably commensurate with the date on which payment for the goods included in such Domestic Shipment will become due (which

Tenor constitutes credit terms that are (x) customarily given by the relevant Drawer and (y) usual in the industry in which such Drawer operates);

(v) the goods included in such Domestic Shipment have been shipped within 30 days prior to the date of such Acceptance;

(vi) the goods included in such Domestic Shipment have been shipped either (x) from one State of the United States to another State or (y) in the case of a shipment within one State of the United States, not less than 25 miles from the location of origin of such Domestic Shipment; and

(vii) such Domestic Shipment does not involve a retail sale to a consumer.

No Acceptance Quote Request shall be given within five Business Days of any other Acceptance Quote Request.

(c) (i) Any Bank may, by submitting a notice to the Agent in the form of Exhibit H hereto (an "Acceptance Quote"), offer to create and discount Acceptances in response to any Acceptance Quote Request. Each Acceptance Quote must be submitted to the Agent not later than 11:00 a.m. New York time on the proposed date of creation and discount of the relevant Acceptances; provided that any Acceptance Quote submitted by Chase (or its Applicable Lending Office) may be submitted, and may only be submitted, if Chase (or such Applicable Lending Office) notifies the Drawer that submitted the relevant Acceptance Quote Request

of the terms of the offer contained in such Acceptance Quote not later than 10:45 a.m. New York time on the proposed date of creation and discount of the relevant Acceptances. Subject to Sections 6.02 and 9 hereof, any Acceptance Quote so made shall be irrevocable except with the written consent of the Agent given on the instructions of the Drawer that requested the submission of such Acceptance Quote.

(ii) No Acceptance Quote shall propose terms other than or in addition to those requested in the applicable Acceptance Quote Request and, in particular, no Acceptance Quote may be conditioned upon acceptance by the Drawer that requested the submission of such Acceptance Quote of all (or some specified minimum) of the aggregate face amount of the Acceptances requested in the relevant Acceptance Quote Request; provided that the minimums specified in Section 2.04(e) hereof shall apply.

(d) The Agent shall, as promptly as practicable (but in any event not later than 11:15 a.m. New York time), notify the Drawer submitting an Acceptance Quote Request of the terms (i) of any Acceptance Quote submitted by a Bank in response to such Acceptance Quote Request that is in accordance with Section 2.04(c) hereof and (ii) of any Acceptance Quote that amends, modifies or is otherwise inconsistent with a previous Acceptance Quote submitted by such Bank with respect to the same Acceptance Quote Request. Any such subsequent Acceptance Quote shall be disregarded by the Agent unless such subsequent Acceptance Quote is submitted solely to correct a manifest error in such former Acceptance Quote. The Agent's notice to the Drawer that submitted an Acceptance Quote Request shall specify (A) the aggregate face amount of the Acceptances for which offers have been received in response thereto and (B) the aggregate face amount and All-In Rate for the Acceptances each Bank has offered to create and discount in response to such Acceptance Quote Request (identifying the Bank that made each Acceptance Quote).

(e) Not later than noon New York time on the proposed date

of creation and discount of Acceptances, the Drawer requesting the creation and discount of such Acceptances shall notify the Agent of its acceptance or nonacceptance of the offers for the creation and discount of such Acceptances so notified to it pursuant to Section 2.04(d) hereof (which notice shall specify the aggregate face amount of Acceptances that are accepted with respect to each Bank whose offer is accepted in whole or in part; and the failure of the Drawer to give such notice by such time shall constitute non-acceptance) and the Agent shall promptly notify each affected Bank of

Credit Agreement

- 157 -

the acceptance or non-acceptance of its offer. The notice by the Agent shall also specify the aggregate face amount of Acceptances that were accepted. The Drawer that submitted an Acceptance Quote Request may accept any Acceptance Quote submitted in response thereto in whole or in part (provided that any Acceptance Quote accepted in part from any Bank shall be at least equal to \$1,000,000 or an integral multiple of \$100,000 in excess thereof); provided that:

(i) the aggregate face amount of the Acceptances created and discounted may not exceed the aggregate face amount of Acceptances for which Acceptance Quotes are requested in the related Acceptance Quote Request;

(ii) acceptance of offers may only be made in ascending order of their respective All-In Rates; and

(iii) no offer may be accepted if the Agent has advised the Drawer that such offer fails to comply with Section 2.04(c) (ii) hereof or otherwise fails to comply with the requirements of this Agreement (including, without limitation, Section 2.04(a) hereof).

If offers are made by two or more Banks in response to an Acceptance Quote Request with the same All-In Rates for an aggregate face amount of Acceptances that is, together with the aggregate face amount of Acceptances offered with lower All-In Rates, greater than the aggregate face amount of Acceptances permitted to be accepted as provided in clause (i) of the proviso to the immediately preceding sentence, the aggregate face amount of Acceptances in respect of which such offers with the same All-In Rates are accepted shall be allocated by the Drawer that submitted such Acceptance Quote Request among such Banks as nearly as possible (in a minimum amount of \$1,000,000 or any integral multiple of \$100,000 in excess thereof) in proportion to the aggregate face amount of such offers.

(f) Any Bank whose offer to create and discount Acceptances has been accepted in a specified aggregate amount shall, not later than 2:00 p.m. New York time on the date specified for the creation and discount of such Acceptances:

(i) create such Acceptances in such aggregate amount by the acceptance at the Applicable Lending Office of such Bank of a draft or drafts in the form customarily employed by such Bank in

Credit Agreement  
-----

creating bankers acceptances (the denomination of each such

Acceptance to be selected by such Bank in its sole discretion);

(ii) discount such Acceptances at the All-In Rate specified for such Acceptances in the applicable Acceptance Quote;

(iii) give the Agent notice of the creation and discount of such Acceptances, specifying the aggregate face amount thereof and All-In Rate therefor; and

(iv) pay to the Agent for account of such Drawer an amount equal to the proceeds of such discount.

The amount so received by the Agent shall, subject to the terms and conditions of this Agreement, be promptly made available by the Agent to such Drawer by depositing the same, in immediately available funds, in an account of such Drawer maintained with Chase at the Principal Office designated by such Drawer.

(g) The amount of any Acceptance Liability with respect to any outstanding Acceptance made by any Bank shall not constitute a utilization of such Bank's Commitment.

(h) With respect to any Acceptance created and discounted hereunder, the Company and the Acceptance Account Party unconditionally and jointly and severally agree to pay to the Agent, for account of the Applicable Lending Office of the Accepting Bank, on the Maturity Date of such Acceptance, or on such earlier date as may be required pursuant to the terms of this Agreement, the face amount of such Acceptance. The Agent shall maintain on its books accounts showing the aggregate face amount of the Acceptance Liabilities owing from time to time to the Banks hereunder. If either the Company or the Acceptance Account Party shall default in the payment in full when due (whether at stated maturity, by acceleration or otherwise) of any Acceptance Liability, the Company and the Acceptance Account Party unconditionally and jointly and severally agree to pay interest on the amount in default from the due date thereof until such amount is paid in full (such amount to be payable on demand of the Accepting Bank, through the Agent, in respect of which such amount is due) at a rate per annum equal to the Post-Default Rate.

(i) Each Drawer hereby appoints each Bank to be, and each Bank hereby accepts such appointment to be, such Drawer's true and lawful attorney-in-fact for and on behalf of such Drawer to sign in the name of such Drawer, as drawer, drafts naming such Bank as drawee

and payee and otherwise in the form customarily employed by such Bank in creating bankers acceptances, and to complete such drafts as to amount, date and maturity (in such numbers and denominations as such Bank is hereby authorized to determine) in accordance with the acceptance by such Drawer under Section 2.04(e) hereof of such Bank's offer to create and discount Acceptances.

(j) At the request of any Bank (through the Agent) that is a member of the Federal Reserve System or that is a Federal or state branch or agency of a foreign bank subject to reserve requirements under Section 7 of the International Banking Act of 1978, the Company shall cause the relevant Drawer to provide, and the relevant Drawer shall provide, such Bank such documents as may be necessary (including, without limitation, contracts of sale, bills of lading and invoices) to demonstrate to such Bank and the Board of Governors of the Federal Reserve System the truth of the certifications made pursuant to the second sentence of Section 2.04(b) hereof upon submission by such Drawer of any Acceptance Quote Request.

(k) The Company hereby agrees to indemnify each Bank from, and hold each of them harmless against, any and all losses,

liabilities, claims, damages, costs or expenses incurred by any of them in the event that any of the certifications made pursuant to the second sentence of Section 2.04(b) hereof proves to have been incorrect in any material respect, including, without limitation, any losses, liabilities, claims, damages, costs or expenses attributable to any Acceptance created and discounted by such Bank failing to comply with all applicable provisions of law and all regulations, rulings and interpretations of the Board of Governors of the Federal Reserve System regarding bankers acceptances eligible for discount and purchase by a Federal Reserve Bank.

2.05 Changes of Commitments.

(a) Unless theretofore reduced to such amount pursuant to paragraphs (b) and (c) below, the aggregate amount of the Commitments shall automatically be reduced to zero on the Commitment Termination Date.

(b) The Company shall have the right to terminate or reduce permanently the amount of the Commitments at any time or from time to time upon not less than three Business Days' prior notice to the Agent (which shall promptly notify the Banks) of each such termination or reduction, which notice shall specify the effective date thereof and the amount of any such reduction (which shall be in an integral

multiple of \$5,000,000) and shall be irrevocable and effective only upon receipt by the Agent; provided that the Company may not at any time (i) terminate the Commitments if Loans or Acceptance Liabilities are then outstanding or (ii) reduce the aggregate amount of the Commitments below the sum of the aggregate outstanding principal amount of the Loans plus the aggregate unpaid amount of all Acceptance Liabilities.

(c) The Commitments once terminated or reduced may not be reinstated.

2.06 Fees. The Company shall, if the financial statements of the Company most recently delivered to the Agent under Section 8.01(a) hereof (or, until the first financials are delivered under Section 8.01(a) hereof, the quarterly financial statements referred to in Section 7.02(a) hereof) demonstrate that the Interest Coverage Ratio for the fiscal quarter to which such financial statements relate shall fall within one of the ranges set forth below, pay to the Agent for account of each Bank a facility fee on such Bank's pro rata (based on its Commitment) portion of the aggregate Commitments at the rate per annum set forth below opposite such range for all of the fiscal quarter (or such portion thereof as Commitments are outstanding) immediately following the fiscal quarter to which such financial statements relate:

Interest Coverage Ratio -----	Facility Fee -----
5.5 to 1 or greater	2/25 of 1%
less than 5.5 to 1	1/10 of 1%

provided that, for any period during which any Specified Default shall have occurred and be continuing, a facility fee shall be payable at a rate per annum equal to 1/10 of 1%; provided further that, if the Company shall terminate the Commitments in any fiscal quarter before receipt of the financial statements under Section 8.01(a) for the immediately preceding fiscal quarter, a facility fee shall be payable for the fiscal quarter in which such termination occurred (to such termination) at the rate applicable to the prior fiscal quarter. Accrued facility fee shall be payable on each Quarterly Date in

arrears and on the earlier of the date the Commitments are terminated and the Commitment Termination Date.

2.07 Lending Offices. The Loans of each type made by each Bank shall be made and maintained at such Bank's Applicable Lending Office for Loans of such type. The Acceptances created and discounted by each Bank shall be created and discounted at such Bank's Applicable Lending Office for Acceptances.

2.08 Several Obligations; Remedies Independent. The failure of any Bank to make any Syndicated Loan to be made by it on the date specified therefor shall not relieve any other Bank of its obligation to make its Syndicated Loan on such date, and no Bank shall be responsible for the failure of any other Bank to make a Loan or create and discount an Acceptance to be made or created and discounted by such other Bank. The amounts payable by the Company at any time hereunder and under the Notes to each Bank shall be a separate and independent debt and each Bank shall be entitled to protect and enforce its rights arising out of this Agreement and the Notes, and it shall not be necessary for any other Bank or the Agent to consent to, or be joined as an additional party in, any proceedings for such purposes.

2.09 Notes.

(a) The Syndicated Loans made by any Bank shall be evidenced by a single promissory note of the Company in substantially the form of Exhibit A-1 hereto, dated the date of its delivery to the Agent, payable to such Bank in a principal amount equal to the amount of its Commitment as originally in effect on the date hereof and otherwise duly completed. The date, amount, type, interest rate and maturity date of each Syndicated Loan made by each Bank, and all payments made on account of the principal thereof, shall be recorded by such Bank on its books and, prior to any transfer of such Note held by it, endorsed by such Bank on the schedule attached to such Note or any continuation thereof; provided that the failure of such Bank to make any such recordation or endorsement shall not affect the obligations of the Company to make any payment when due of any amount owing hereunder or under such Note in respect of the Loans to be evidenced by such Note.

(b) The Money Market Loans made by any Bank shall be evidenced by a single promissory note of the Company in substantially the form of Exhibit A-2 hereto, dated the date of its delivery to the Agent, payable to such Bank and otherwise duly completed. The date, amount, type, interest rate and maturity date of each Money Market Loan made by each Bank, and all payments made on account of the principal thereof, shall be recorded by such Bank on its books and,

Credit Agreement

prior to any transfer of such Note held by it, endorsed by such Bank on the schedule attached to such Note or any continuation thereof; provided that the failure of such Bank to make any such recordation or endorsement shall not affect the obligations of the Company to make any payment when due of any amount owing hereunder or under such Note in respect of the Loans to be evidenced by such Note.

(c) No Note may be subdivided, whether by exchange for promissory notes of lesser denominations or otherwise except in connection with a permitted assignment of a portion of the Loans evidenced thereby pursuant to Section 11.05(b) hereof.

2.10 Prepayments. The Company may prepay Base Rate Loans and Acceptance Liabilities upon not less than one Business Day's prior notice to the Agent (which shall promptly notify the Banks), which notice shall specify the prepayment date (which shall be a Business Day) and the amount of the prepayment (which, in the case of partial prepayments, shall be in an integral multiple of \$1,000,000) and shall be irrevocable and effective only upon receipt by the Agent, provided that interest on the principal of any Base Rate Loans prepaid, accrued to the prepayment date, shall be paid on the prepayment date. The Company may not voluntarily prepay any LIBO Rate Loans or Set Rate Loans (provided that this sentence shall not affect the Company's obligation to prepay Loans pursuant to Section 9 of this Agreement).

2.11 Extension of Commitment Termination Date. (a) The Company may, by notice to the Agent (which shall promptly deliver a copy to each of the Banks) not less than 60 days and not more than 90 days prior to the Commitment Termination Date then in effect hereunder (the "Existing Commitment Termination Date"), request that the Banks extend the Commitment Termination Date for an additional 364 days from the Consent Date (as defined below). Each Bank, acting in its sole discretion, shall, by notice to the Company and the Agent given on the date (and, subject to the proviso below, only on the date) 30 days prior to the Existing Commitment Termination Date (provided, if such date is not a Business Day, then such notice shall be given on the next succeeding Business Day) (the "Consent Date"), advise the Company whether or not such Bank agrees to such extension; provided that each Bank that determines not to extend the Commitment Termination Date (a "Non-extending Bank") shall notify the Agent (which shall notify the Company) of such fact promptly after such determination (but in any event no later than the Consent Date) and any Bank that does not advise the Company on or before the Consent Date shall be deemed to be a Non-extending Bank. The election of any Bank to agree to such extension shall not obligate any other Bank to agree.

-----  
Credit Agreement  
-----

- 163 -

(b) The Company shall have the right on or before the Existing Commitment Termination Date to replace each Non-extending Bank with, and otherwise add to this Agreement, one or more other banks (which may include any Bank, each prior to the Existing Commitment Termination Date an "Additional Commitment Bank") with the approval of the Agent (which approval shall not be unreasonably withheld), each of which Additional Commitment Banks shall have entered into an agreement in form and substance satisfactory to the Company and the Agent pursuant to which such Additional Commitment Bank shall, effective as of the Existing Commitment Termination Date, undertake a Commitment (if any such Additional Commitment Bank is a Bank, its Commitment shall be in addition to such Bank's Commitment hereunder on such date).

(c) If (and only if) Banks holding Commitments that, together with the additional Commitments of the Additional Commitment Banks that will become effective on the Existing Commitment Termination Date, aggregate at least 90% of the aggregate amount of the Commitments (not including the additional Commitments of the Additional Commitment Banks) on the Consent Date shall have agreed on the Consent Date to extend the Existing Commitment Termination Date, then, effective as of the Existing Commitment Termination Date, the Existing Commitment Termination Date shall be extended to the date falling 364 days after the Consent Date (provided, if such date is not a Business Day, then such Commitment Termination Date as so extended shall be the next preceding Business Day) and each Additional

Commitment Bank shall thereupon become a "Bank" for all purposes of this Agreement.

Notwithstanding the foregoing, the extension of the Existing Commitment Termination Date shall not be effective with respect to any Bank unless:

(i) no Default shall have occurred and be continuing on each of the date of the notice requesting such extension, on the Consent Date or on the Existing Commitment Termination Date;

(ii) each of the representations and warranties of the Company in Section 7 hereof shall be true and correct on and as of each of the date of the notice requesting such extension, the Consent Date and the Existing Commitment Termination Date with the same force and effect as if made on and as of each such date (or, if any such representation or warranty is expressly stated to have been made as of a specific date, as of such specific date); and

Credit Agreement  
-----

- 164 -

(iii) each Non-extending Bank shall have been paid in full by the Company all amounts owing to such Bank hereunder on or before the Existing Commitment Termination Date.

Even if the Existing Commitment Termination Date is extended as aforesaid, the Commitment of each Non-extending Bank shall terminate on the Existing Commitment Termination Date.

SECTION 3. PAYMENTS OF PRINCIPAL AND INTEREST.  
-----

3.01 Repayment of Loans. The Company will pay to the Agent for account of each Bank the principal of each Loan made by such Bank, and such Loan shall mature, on the last day of the Interest Period therefor.

3.02 Interest.

(a) The Company will pay to the Agent for account of each Bank interest on the unpaid principal amount of each Loan made by such Bank for the period commencing on the date of such Loan to but excluding the date such Loan shall be paid in full, at the following rates per annum:

(i) if such Loan is a Base Rate Loan, the Base Rate (as in effect from time to time);

(ii) if such Loan is a Eurodollar Loan, the LIBO Rate for such Loan for the Interest Period therefor plus the Applicable Margin;

(iii) if such Loan is a LIBOR Market Loan, the LIBO Rate for such Loan for the Interest Period therefor plus (or minus) the Money Market Margin quoted by the Bank making such Loan in accordance with Section 2.03 hereof; and

(iv) if such Loan is a Set Rate Loan, the Money Market Rate for such Loan for the Interest Period therefor quoted by the Bank making such Loan in accordance with Section 2.03 hereof.

Notwithstanding the foregoing, the Company will pay to the Agent for account of each Bank interest at the applicable Post-Default Rate on any principal of any Loan made by such Bank or any Acceptance Liability owing to such Bank, and (to the fullest extent permitted by

law) on any other amount payable by the Company hereunder or under the Note held by such Bank to or for account of such Bank, which shall not be paid in full when due (whether at stated maturity, by acceleration or otherwise), for the period commencing on the due date thereof until the same is paid in full.

(b) Accrued interest on each Loan shall be payable on the last day of the Interest Period therefor and, if such Interest Period is longer than three months, at three-month intervals following the first day of such Interest Period, except that interest payable at the Post-Default Rate shall be payable from time to time on demand.

(c) Promptly after the determination of any LIBO Rate provided for herein, the Agent shall (i) notify the Banks to which interest at such LIBO Rate is payable and the Company thereof and (ii) at the request of the Company, furnish to the Company a copy of the Dow Jones Telerate Service Page on the basis of which the relevant LIBO Base Rate was determined. At any time that the Agent determines the LIBO Rate on a basis other than using the Dow Jones Telerate Service, the Agent shall promptly notify the Company.

SECTION 4. PAYMENTS; PRO RATA TREATMENT; COMPUTATIONS; ETC.  
-----

4.01 Payments.

(a) Except to the extent otherwise provided herein, all payments of principal, interest and other amounts to be made by the Company under this Agreement and the Notes, and all payments to be made by each Acceptance Account Party in respect of its Acceptance Liabilities, shall be made in Dollars, in immediately available funds, without deduction, set-off or counterclaim, to the Agent at the Principal Office, not later than 2:00 p.m. New York time on the date on which such payment shall become due (each such payment made after such time on such due date to be deemed to have been made on the next succeeding Business Day).

(b) If the Company or any Acceptance Account Party shall default in the payment when due of any principal, interest or other amounts to be made by the Company or such Acceptance Account Party (as the case may be) under this Agreement or the Notes, any Bank for whose account any such payment is to be made may (but shall not be obligated to) debit the amount of any such payment due such Bank which is not made by such time to any ordinary deposit account of the Company or

Credit Agreement  
-----

such Acceptance Account Party (as the case may be) with such Bank (with notice to the Company or such Acceptance Account Party, as the case may be, and the Agent).

(c) The Company and each Acceptance Account Party shall, at the time of making each payment under this Agreement or any Note for account of any Bank, specify to the Agent the Loans, Acceptance Liabilities or other amounts payable by it hereunder to which such payment is to be applied (and in the event that the payor fails to so specify, or if an Event of Default has occurred and is continuing, such Bank may apply such payment received by it from the Agent to such

amounts then due and owing to such Bank as such Bank may determine).

(d) Each payment received by the Agent under this Agreement or any Note for account of any Bank shall be paid promptly to such Bank, in immediately available funds.

(e) If the due date of any payment under this Agreement or any Note would otherwise fall on a day which is not a Business Day such date shall be extended to the next succeeding Business Day and interest shall be payable for any principal so extended for the period of such extension.

4.02 Pro Rata Treatment. Except to the extent otherwise provided herein: (a) each borrowing from the Banks of Syndicated Loans under Section 2.01 hereof shall be made from the Banks, each payment of fees under Section 2.06 hereof shall be made for account of the Banks, and each termination, reduction or extension of the amount of the Commitments under Section 2.05 hereof shall be applied to the Commitments of the Banks, pro rata according to the amounts of their respective Commitments; (b) each payment of principal of Syndicated Loans by the Company shall be made for account of the Banks pro rata in accordance with the respective unpaid principal amounts of the Syndicated Loans held by the Banks; and (c) each payment of interest on Syndicated Loans by the Company shall be made for account of the Banks pro rata in accordance with the amounts of interest due and payable to the respective Bank; provided that, if an Event of Default shall have occurred and be continuing, each payment of principal of and interest on the Loans and Acceptance Liabilities and other amounts owing hereunder by the Company shall be made for account of the Banks pro rata in accordance with the aggregate amounts of all principal of and interest on the Loans and Acceptance Liabilities and all other amounts owing hereunder by the Company then due and payable to the respective Bank.

4.03 Computations. Interest on Set Rate Loans, LIBO Rate Loans, All-In Rates and the fees payable pursuant to Section 2.06 hereof shall be computed on the basis of a year of 360 days and actual days elapsed (including the first day but excluding the last day) occurring in the period for which payable, and interest on Base Rate Loans shall be computed on the basis of a year of 365 or 366 days, as the case may be, and actual days elapsed (including the first day but excluding the last day) occurring in the period for which payable.

4.04 Non-Receipt of Funds by the Agent. Unless the Agent shall have been notified by a Bank, the Company or any Acceptance Account Party (each, a "Payor") prior to the time by, and on the date on, which such Payor is scheduled to make payment to the Agent of (in the case of a Bank) the proceeds of a Loan to be made or the discount of any Acceptance to be created by it hereunder or (in the case of the Company or an Acceptance Account Party) a payment to the Agent for account of one or more of the Banks hereunder (such payment being herein called the "Required Payment"), which notice shall be effective upon receipt, that it does not intend to make the Required Payment to the Agent, the Agent may assume that the Required Payment has been made and may, in reliance upon such assumption (but shall not be required to), make the amount thereof available to the intended recipient(s) on such date; and, if the Payor has not in fact made the Required Payment to the Agent, the recipient(s) of such payment shall, on demand, repay to the Agent the amount so made available together with interest thereon in respect of each day during the period commencing on the date such amount was so made available by the Agent to but not including the date the Agent recovers such amount (the "Advance Period") at a rate per annum equal to (a) if the recipient is the Company or a Drawer, the Base Rate in effect on such day and (b) if the recipient is a Bank, the Federal Funds Rate in effect on

such day; and, if such recipient(s) shall fail promptly to make such payment, the Agent shall be entitled to recover such amount, on demand, from the Payor, together with interest thereon for each day during the Advance Period at a rate per annum equal to (i) if the Payor is the Company or an Acceptance Account Party, the rate of interest payable on the Required Payment as provided in the second sentence of Section 3.02(a) hereof and (ii) if the Payor is a Bank, during the period commencing on the date such amount was so made available to but excluding the date three Business Days following such date, the Federal Funds Rate in effect on such day and, thereafter, the Base Rate in effect on such day.

#### 4.05 Set-off; Sharing of Payments.

(a) Each of the Company and each Acceptance Account Party agrees that, in addition to (and without limitation of) any right of set-off, bankers' lien or counterclaim a Bank may otherwise have, each Bank shall be entitled, at its option, to offset balances held by it for account of the Company or such Acceptance Account Party (as the case may be) at any of its offices, in Dollars or in any other currency, against any principal of or interest on any of such Bank's Loans (in the case of the Company) or on any of Acceptance Liabilities owing to such Bank hereunder (in the case of the Company and the relevant Acceptance Account Party) which is not paid when due (regardless of whether such balances are then due to the Company or such Acceptance Account Party, as the case may be), in which case it shall promptly notify the Company or such Acceptance Account Party, as the case may be, and the Agent thereof, provided that such Bank's failure to give such notice shall not affect the validity thereof.

(b) If any Bank shall obtain payment of any principal of or interest on any Syndicated Loan made by it to the Company under this Agreement through the exercise of any right of set-off, bankers' lien or counterclaim or similar right or otherwise, and, as a result of such payment, such Bank shall have received a greater percentage of the amounts then due hereunder by the Company to such Bank in respect of Syndicated Loans than the percentage received by any other Banks, it shall promptly purchase from such other Banks participations in (or, if and to the extent specified by such Bank, direct interests in) the Syndicated Loans made by such other Banks (or in the interest thereon, as the case may be) in such amounts, and make such other adjustments from time to time as shall be equitable, to the end that all the Banks shall share the benefit of such excess payment (net of any expenses which may be incurred by such Bank in obtaining or preserving such excess payment) pro rata in accordance with the unpaid principal and interest on the Syndicated Loans held by each of the Banks. To such end all the Banks shall make appropriate adjustments among themselves (by the resale of participations sold or otherwise) if such payment is rescinded or must otherwise be restored. The Company agrees that any Bank so purchasing a participation (or direct interest) in the Syndicated Loans made by other Banks (or in the interest thereon, as the case may be) may exercise all rights of set-off, bankers' lien, counterclaim or similar rights with respect to such participation as fully as if such Bank were a direct holder of Loans (or in the interest thereon, as the case may be) in the amount of such participation. Nothing contained herein shall require any Bank to exercise any such right or shall affect the right of any Bank

to exercise, and retain the benefits of exercising, any such right with respect to any other indebtedness or obligation of the Company. If under any applicable bankruptcy, insolvency or other similar law, any Bank receives a secured claim in lieu of a set-off to which this Section 4.05 applies, such Bank shall, to the extent practicable, exercise its rights in respect of such secured claim in a manner consistent with the rights of the Banks entitled under this Section 4.05 to share in the benefits of any recovery on such secured claim.

SECTION 5. YIELD PROTECTION AND ILLEGALITY.

5.01 Additional Costs.

(a) The Company shall pay directly to each Bank from time to time such amounts as such Bank may determine to be necessary to compensate such Bank for any costs that such Bank determines are attributable to its making or maintaining of any LIBO Rate Loans or its obligation to make any LIBO Rate Loans hereunder, or any reduction in any amount receivable by such Bank hereunder in respect of any of such Loans or such obligation (such increases in costs and reductions in amounts receivable being herein called "Additional Costs"), resulting from any Regulatory Change that:

(i) changes the basis of taxation of any amounts payable to such Bank under this Agreement or its Notes in respect of any of such Loans (other than taxes imposed on or measured by the overall net income of such Bank or of its Applicable Lending Office for any of such Loans by the jurisdiction in which such Bank has its principal office or such Applicable Lending Office); or

(ii) imposes or modifies any reserve, special deposit or similar requirements (other than the Reserve Requirement utilized in the determination of the LIBO Rate for such Loan) relating to any extensions of credit or other assets of, or any deposits with or other liabilities of, such Bank (including, without limitation, any of such Loans or any deposits referred to in the definition of "LIBO Base Rate" in Section 1.01 hereof), or any commitment of such Bank (including, without limitation, the Commitment of such Bank hereunder); or

-----  
Credit Agreement  
-----

(iii) imposes any other condition affecting this Agreement or its Notes (or any of such extensions of credit or liabilities) or its Commitment.

If any Bank requests compensation from the Company under this Section 5.01(a), the Company may, by notice to such Bank (with a copy to the Agent), suspend the obligation of such Bank thereafter to make LIBO Rate Loans until the Regulatory Change giving rise to such request ceases to be in effect (in which case the provisions of Section 5.04 hereof shall be applicable), provided that such suspension shall not affect the right of such Bank to receive the compensation so requested.

(b) Without limiting the effect of the provisions of paragraph (a) of this Section 5.01, in the event that, by reason of any Regulatory Change, any Bank either (i) incurs Additional Costs

based on or measured by the excess above a specified level of the amount of a category of deposits or other liabilities of such Bank that includes deposits by reference to which the interest rate on LIBO Rate Loans is determined as provided in this Agreement or a category of extensions of credit or other assets of such Bank that includes LIBO Rate Loans or (ii) becomes subject to restrictions on the amount of such a category of liabilities or assets that it may hold, then, if such Bank so elects by notice to the Company (with a copy to the Agent), the obligation of such Bank to make LIBO Rate Loans hereunder shall be suspended until such Regulatory Change ceases to be in effect (in which case the provisions of Section 5.04 hereof shall be applicable).

(c) Without limiting the effect of the foregoing provisions of this Section 5.01 (but without duplication), the Company shall pay directly to each Bank from time to time on request such amounts as such Bank may determine to be necessary to compensate such Bank (or, without duplication, the bank holding company of which such Bank is a subsidiary) for any costs that it determines are attributable to the maintenance by such Bank (or any Applicable Lending Office or such bank holding company), pursuant to any law or regulation or any interpretation, directive or request (whether or not having the force of law and whether or not failure to comply therewith would be unlawful) of any court or governmental or monetary authority (i) following any Regulatory Change or (ii) implementing any risk-based capital guideline or other requirement (whether or not having the force of law and whether or not the failure to comply therewith would be unlawful) heretofore or hereafter issued by any government or governmental or supervisory authority implementing at

the national level the Basel Accord (including, without limitation, the Final Risk-Based Capital Guidelines), of capital in respect of its Commitment, Loans or Acceptance Liabilities (such compensation to include, without limitation, an amount equal to any reduction of the rate of return on assets or equity of such Bank (or any Applicable Lending Office or such bank holding company) to a level below that which such Bank (or any Applicable Lending Office or such bank holding company) would have achieved with respect to its Commitment, Loans or Acceptance Liabilities but for such law, regulation, interpretation, directive or request).

(d) Each Bank shall notify the Company of any event occurring after the date of this Agreement entitling such Bank to compensation under paragraph (a) or (c) of this Section 5.01 as promptly as practicable, but in any event within 45 days, after such Bank obtains actual knowledge thereof. If any Bank fails to give such notice within 45 days after it obtains actual knowledge of such an event, such Bank shall, with respect to compensation payable pursuant to this Section 5.01 in respect of any costs resulting from such event, only be entitled to payment under this Section 5.01 for costs incurred from and after the date 45 days prior to the date that such Bank does give such notice. Each Bank will designate a different Applicable Lending Office for the Loans of such Bank affected by such event if such designation will avoid the need for, or reduce the amount of, such compensation and will not, in the sole opinion of such Bank, be disadvantageous to such Bank, except that such Bank shall have no obligation to designate an Applicable Lending Office located in the United States of America. Each Bank will furnish to the Company a certificate setting forth the basis and amount of each request by such Bank for compensation under paragraph (a) or (c) of this Section 5.01. Determinations and allocations by any Bank for purposes of this Section 5.01 of the effect of any Regulatory Change pursuant to paragraph (a) or (b) of this Section 5.01, or of the effect of capital maintained pursuant to paragraph (c) of this Section 5.01, on its costs or rate of return of maintaining Loans or its obligation to make Loans, or on amounts receivable by it in

respect of Loans, and of the amounts required to compensate such Bank under this Section 5.01, shall be conclusive absent manifest error, provided that such determinations and allocations are made on a reasonable basis.

5.02 Limitation on Types of Loans. Anything herein to the contrary notwithstanding, if:

(a) the LIBO Base Rate is to be determined under clause (ii) of the first sentence of the definition of "LIBO Base Rate" and the Agent determines (which determination shall be conclusive) that quotations of interest rates for the relevant deposits referred to in such clause (ii) are not being provided in the relevant amounts or for the relevant maturities for purposes of determining rates of interest for LIBO Rate Loans as provided herein; or

(b) the Majority Banks determine (or any Bank that has outstanding a Money Market Quote with respect to a LIBOR Market Loan, determines) which determination shall be conclusive, and notify (or notifies, as the case may be) the Agent that the relevant rates of interest referred to in the definition of "LIBO Base Rate" in Section 1.01 hereof do not adequately cover the cost to such Banks (or such quoting Bank) of making or maintaining its LIBO Rate Loans;

then the Agent shall give the Company and each Bank prompt notice thereof, and so long as such condition remains in effect, the Banks (or such quoting Bank) shall be under no obligation to make additional LIBO Rate Loans.

5.03 Illegality. Notwithstanding any other provision of this Agreement, in the event that it becomes unlawful for any Bank or its Applicable Lending Office to honor its obligation to make or maintain LIBO Rate Loans hereunder, then such Bank shall promptly notify the Company thereof (with a copy to the Agent) and such Bank's obligation to make Eurodollar Loans shall be suspended until such time as such Bank may again make and maintain Eurodollar Loans (in which case the provisions of Section 5.04 hereof shall be applicable), and such Bank shall no longer be obligated to make any LIBOR Market Loan that it has offered to make.

5.04 Base Rate Loans Pursuant to Sections 5.01 and 5.03. If the obligation of any Bank to make any LIBO Rate Loans shall be suspended pursuant to Section 5.01 or 5.03 hereof (Loans of such type being herein called "Affected Loans" and such type being herein called the "Affected Type"), all Loans (other than Money Market Loans) which would otherwise be made by such Bank as Loans of the Affected Type shall be made instead as Base Rate Loans (and, if an event referred to in Section 5.01(b) or 5.03 hereof has occurred and such Bank so

requests by notice to the Company with a copy to the Agent, all

Affected Loans of such Bank then outstanding shall be automatically converted into Base Rate Loans on the date specified by such Bank in such notice) and, to the extent that Affected Loans are so made as (or converted into) Base Rate Loans, all payments of principal which would otherwise be applied to such Bank's Affected Loans shall be applied instead to its Base Rate Loans.

5.05 Compensation. The Company shall pay to the Agent for account of each Bank, upon the request of such Bank through the Agent, such amount or amounts as shall be sufficient (in the reasonable opinion of such Bank) to compensate it for any loss, cost or expense which such Bank determines are attributable to:

(a) any payment or conversion of a LIBO Rate Loan or a Set Rate Loan made by such Bank for any reason (including, without limitation, the acceleration of the Loans pursuant to Section 9 hereof) on a date other than the last day of the Interest Period for such Loan;

(b) any failure by the Company for any reason (excluding only failure due solely to a default by any Bank or the Agent in its obligation to provide funds to the Company hereunder but including, without limitation, the failure of any of the conditions precedent specified in Section 6 hereof to be satisfied) to borrow a LIBO Rate Loan or a Set Rate Loan from such Bank on the date for such borrowing specified in the relevant notice of borrowing given pursuant to Section 2.02 or 2.03(b) hereof; or

(c) any failure for any reason (excluding only failure due solely to a default by any Bank or the Agent in its obligation to provide funds to the Company hereunder but including, without limitation, the failure of any of the conditions precedent specified in Section 6 hereof to be satisfied) for an Acceptance to be created and discounted on the date on which such Acceptance is to be created and discounted as specified in the notice given by the Drawer requesting the creation and discount of such Acceptance to the Agent under Section 2.04(e) hereof.

Without limiting the effect of the preceding sentence, such compensation shall include, in the case of a Loan, an amount equal to the excess, if any, of (i) the amount of interest which otherwise would have accrued on the principal amount so paid or converted or not borrowed for the period from the date of such payment, conversion or

failure to borrow to the last day of the Interest Period for such Loan (or, in the case of a failure to borrow, the Interest Period for such Loan which would have commenced on the date specified for such borrowing) at the applicable rate of interest for such Loan provided for herein over (ii) the interest component of the amount such Bank would have bid in the London interbank market for Dollar deposits of lending banks in amounts comparable to such principal amount and with maturities comparable to such period (as reasonably determined by such Bank).

SECTION 6. CONDITIONS PRECEDENT.

Agreement, or in any certificate or other document referred to or provided for in, or received by any of them under this Agreement, or for the value, validity, effectiveness, genuineness, enforceability or sufficiency of this Agreement, any Note, or any other document referred to or provided for herein or for any failure by the Company or any other Person to perform any of its obligations hereunder or thereunder; (c) shall not be required to initiate or conduct any litigation or collection proceedings hereunder; and (d) shall not be responsible for any action taken or omitted to be taken by it hereunder or under any other document or instrument referred to or provided for herein or in connection herewith, except for its own gross negligence or willful misconduct. The Agent may employ agents and attorneys-in-fact and shall not be responsible for the negligence or misconduct of any such agents or attorneys-in-fact selected by it with reasonable care. The Agent may deem and treat the payee of any Syndicated Note as the holder thereof for all purposes hereof unless and until a written notice of the assignment or transfer thereof shall have been filed with the Agent, together with the written consent of the Company to such assignment or transfer.

10.02 Reliance by Agent. The Agent shall be entitled to rely upon any certification, notice or other communication (including any thereof by telephone, telex, telegram or cable) believed by it to be genuine and correct and to have been signed or sent by or on behalf of the proper Person or Persons, and upon advice and statements of legal counsel, independent accountants and other experts selected by the Agent. In the event that the Agent receives such a notice of the occurrence of a Default, the Agent shall give prompt notice thereof to the Banks. The Agent shall

-----  
Credit Agreement

(subject to Section 10.07 hereof) take such action with respect to such Default as shall be directed by the Majority Banks, provided that, unless and until the Agent shall have received such directions, the Agent may (but shall not be obligated to) take such action, or refrain from taking such action, with respect to such Default as it shall deem advisable in the best interest of the Banks.

10.04 Rights as a Bank. With respect to its Commitment and the Loans made, and the Acceptances created and discounted, by it, Chase (and any successor acting as Agent), in its capacity as a Bank hereunder shall have the same rights and powers hereunder as any other Bank and may exercise the same as though it were not acting as the Agent, and the term "Bank" or "Banks" shall, unless the context otherwise indicates, include the Agent in its individual capacity. Chase (and any successor acting as Agent) and its affiliates may (without having to account therefor to any Bank) accept deposits from, lend money to and generally engage in any kind of banking, trust or other business with the Company (and any of its affiliates) as if it were not acting as the Agent, and Chase and its affiliates may accept fees and other consideration from the Company for services in connection with this Agreement or otherwise without having to account for the same to the Banks.

10.05 Indemnification. The Banks agree to indemnify the Agent (to the extent not reimbursed under Section 11.03 hereof, but without limiting the obligations of the Company under said

Section 11.03), ratably in accordance with their respective Commitments, for any and all liabilities, obligations, losses, damages, penalties, actions, judgments, suits, costs, expenses or disbursements of any kind and nature whatsoever which may be imposed on, incurred by or asserted against the Agent in any way relating to or arising out of this Agreement or any other documents contemplated by or referred to herein or the transactions contemplated hereby (including, without limitation, the costs and expenses which the Company is obligated to pay under Section 11.03 hereof but excluding, unless a Default has occurred and is continuing, normal administrative costs and expenses incident to the performance of its agency duties hereunder) or the enforcement of any of the terms hereof or of any such other documents, provided that no Bank shall be liable for any of the foregoing to the extent they arise from the gross negligence or willful misconduct of the party to be indemnified.

10.06 Non-Reliance on Agent and Other Banks. Each Bank agrees that it has, independently and without reliance on the Agent or any other Bank, and based on such documents and information as it has

Credit Agreement  
-----

deemed appropriate, made its own credit analysis of the Company, the Drawers and their respective Subsidiaries and decision to enter into this Agreement and that it will, independently and without reliance upon the Agent or any other Bank, and based on such documents and information as it shall deem appropriate at the time, continue to make its own analysis and decisions in taking or not taking action under this Agreement. The Agent shall not be required to keep itself informed as to the performance or observance by the Company or any Drawer of this Agreement or any other document referred to or provided for herein or to inspect the properties or books of the Company, any Drawer or any of their respective Subsidiaries. Except for notices, reports and other documents and information expressly required to be furnished to the Banks by the Agent hereunder, the Agent shall not have any duty or responsibility to provide any Bank with any credit or other information concerning the affairs, financial condition or business of the Company, the Drawers or any of their respective Subsidiaries (or any of their affiliates) which may come into the possession of the Agent or any of its affiliates.

10.07 Failure to Act. Except for action expressly required of the Agent hereunder the Agent shall in all cases be fully justified in failing or refusing to act hereunder unless it shall be indemnified to its satisfaction by the Banks against any and all liability and expense which may be incurred by it by reason of taking or continuing to take any such action.

10.08 Resignation or Removal of Agent. Subject to the appointment and acceptance of a successor Agent as provided below, the Agent may resign at any time by giving notice thereof to the Banks, the Company and the Drawers and the Agent may be removed at any time with or without cause by the Majority Banks. Upon any such resignation or removal, the Majority Banks shall have the right to appoint a successor Agent. If no successor Agent shall have been so appointed by the Majority Banks and shall have accepted such appointment within 30 days after the retiring Agent's giving of notice of resignation or the Majority Banks' removal of the retiring Agent, then the retiring Agent may, on behalf of the Banks, appoint a successor Agent, which shall be a bank which has an office in New York, New York with a combined capital and surplus of at least \$100,000,000. Upon the acceptance of any appointment as Agent hereunder by a successor Agent, such successor Agent shall thereupon succeed to and become vested with all the rights, powers, privileges and duties of the retiring Agent, and the retiring Agent shall be discharged from its duties and obligations hereunder. After any retiring Agent's resignation or removal hereunder as Agent, the

Credit Agreement  
-----

- 195 -

provisions of this Section 10 shall continue in effect for its benefit in respect of any actions taken or omitted to be taken by it while it was acting as the Agent.

10.09 The Co-Agent. The Co-Agent referred to on the cover page of this Agreement shall not have any rights or obligations under this Agreement except in its capacity as a "Bank" hereunder.

SECTION 11. MISCELLANEOUS.  
-----

No failure on the part of the Agent or any Bank to exercise and no delay in exercising, and no course of dealing with respect to, any right, power or privilege under this Agreement, any Note or any Acceptance Document shall operate as a waiver thereof, nor shall any single or partial exercise of any right, power or privilege under this Agreement, any Note or any Acceptance Document preclude any other or further exercise thereof or the exercise of any other right, power or privilege. The remedies provided herein are cumulative and not exclusive of any remedies provided by law.

claims, damages or expenses incurred by any of them arising out of or by reason of any investigation or litigation or other proceedings (including any threatened investigation or litigation or other proceedings) relating to any actual or proposed use by the Company or any Subsidiary of the Company of the proceeds of any of the Loans or Acceptances, including, without limitation, the reasonable fees and disbursements of counsel incurred in connection with any such investigation or litigation or other proceedings (but excluding any such losses, liabilities, claims, damages or expenses incurred by reason of the gross negligence or willful misconduct of the Person to be indemnified).

11.04 Amendments, Etc. Except as otherwise expressly provided in this Agreement, any provision of this Agreement may be amended or modified only by an instrument in writing signed by the Company, the Drawers, the Agent and the Majority Banks, or by the Company, the Drawers and the Agent acting with the consent of the Majority Banks, and any provision of this Agreement may be waived by the Majority Banks or by the Agent acting with the consent of the Majority Banks; provided that no amendment, modification or waiver shall, unless by an instrument signed by all of the Banks or by the Agent acting with the consent of all of the Banks: (i) increase or extend the term, or extend the time or waive any requirement for the reduction or termination, of the Commitments, (ii) extend the date fixed for the payment of any Acceptance Liability or any principal of or interest on any Loan, (iii) reduce the amount of any Acceptance Liability or any principal of any Loan or the rate at which interest or any fee is payable hereunder, (iv) alter the terms of this Section 11.04, (v) amend the definition of the term "Majority Banks" or (vi) waive any of the conditions precedent set forth in Section 6 hereof; and provided, further, that any amendment of Section 10 hereof, or which increase the obligations of the Agent hereunder, shall require the consent of the Agent.

11.05 Assignments and Participations.

(a) The Company may not assign any of its rights or obligations hereunder or under the Notes, and neither the Company nor any Acceptance Account Party may assign any of its rights or obligations in respect of any Acceptance Liabilities, without the prior consent of all of the Banks and the Agent.

(b) No Bank may assign all or any part of its Acceptance Liabilities, its Loans, its Notes or its Commitment without the prior consent of the Company and the Agent, which consent will not be unreasonably withheld; provided that, (i) without the consent of the Company or the Agent, any Bank may assign to another Bank all or (subject to the further clauses below) any portion of its Commitment; (ii) any such partial assignment shall be not less than \$5,000,000 and in multiples of \$1,000,000 in excess thereof; and (iii) such assigning Bank shall also simultaneously assign the same proportion of each of its Syndicated Loans then outstanding (together with the same proportion of its Syndicated Note then outstanding). Upon written notice to the Company and the Agent of an assignment permitted by the preceding sentence (which notice shall identify the assignee, the amount of the assigning Bank's Commitment, Loans and Acceptance Liabilities assigned in detail reasonably satisfactory to the Agent) and upon the effectiveness of any assignment consented to by the Company and the Agent, the assignee shall have, to the extent of such assignment (unless otherwise provided in such assignment with the consent of the Company and the Agent), the obligations, rights and benefits of a Bank hereunder holding the Commitment, Loans and Acceptance Liabilities (or portions thereof) assigned to it (in addition to

the Commitment, Loans and Acceptance Liabilities, if any, theretofore held by such assignee) and the assigning Bank shall, to the extent of any such Commitment assignment, be released from its Commitment (or portions thereof) so assigned. Upon the effectiveness of any assignment referred to in this Section 11.05(b), the assigning Bank or the assignee Bank shall pay to the Agent a transfer fee in an amount equal to \$3,000.

(c) A Bank may sell or agree to sell to one or more other Persons a participation in all or any part of its Commitment, its Loans or its Acceptance Liabilities, in which event each such participant shall be entitled to the rights and benefits of the provisions of Section 8.01(g) hereof with respect to its participation as if (and the Company shall be directly obligated

to such participant under such provisions as if) such participant were a "Bank" for purposes of said Section, but shall not have any other rights or benefits under this Agreement or such Bank's Notes or any Acceptance Document (the participant's rights against such Bank in respect of such participation to be those set forth in the agreement (the "Participation Agreement") executed by such Bank in favor of the participant). All amounts payable by the Company to any Bank under Section 5 hereof shall be determined as if such Bank had not sold or agreed to sell any participations and as if such Bank were funding all of its Loans in the same way that it is funding the portion of its Loans in which no participations have been sold. In no event shall a Bank that sells a participation be obligated to the participant under the Participation Agreement to take or refrain from taking any action hereunder or under such Bank's Note or under any Acceptance Document except that such Bank may agree in the Participation Agreement that it will not, without the consent of the participant, agree to (i) the increase, or the extension of the term, or the extension of the time or waiver of any requirement for the reduction or termination, of such Bank's Commitment, (ii) the extension of any date fixed for the payment of principal or interest on any participated Loan or Acceptance Liability or any portion of any fees payable to the participant, (iii) the reduction of any payment of principal of any participated Loan or Acceptance Liability, (iv) the reduction of the rate at which either interest or (if the participant is entitled to any part thereof) fees are payable hereunder to a level below the rate at which the participant is entitled to receive interest or fees (as the case may be) in respect of such participation or (v) any modification, supplement or waiver hereof or of any of the other Basic Documents to the extent that the same, under the terms hereof or thereof, requires the consent of each Bank.

(d) In addition to the assignments and participations permitted under the foregoing provisions of this Section 11.05, a Bank may assign and pledge all or any portion of its Loans and its Notes to any Federal Reserve Bank as collateral security pursuant to Regulation A and any Operating Circular issued by such Federal Reserve Bank. No such assignment shall release the Bank from its obligations hereunder.

(e) A Bank may furnish any information concerning the Company or any of its Subsidiaries in the possession of such Bank

from time to time to assignees and participants (including prospective assignees and participants).

11.06 Survival. The obligations of the Company under Sections 5.01 and 5.05 hereof, the obligations of the Banks under Section 10.05 hereof and the obligations of Company under Section 11.03 hereof shall survive the repayment of the Loans and Acceptance Liabilities and the termination of the Commitments. In addition, each representation and warranty made, or deemed to be made, by a notice of borrowing of Loans or an Acceptance Quote Request for the creation and discount of Acceptances hereunder shall survive the making of such Loans or the creation and discount of such Acceptances, and no Bank shall be deemed to have waived, by reason of making any Loan, creating and discounting any Acceptance, any Default or Event of Default which may arise by reason of such representation or warranty proving to have been false or misleading, notwithstanding that such Bank or the Agent may have had notice or knowledge or reason to believe that such representation or warranty was false or misleading at the time such Loan was made or such Acceptance was created and discounted.

<F1> Allowances for doubtful accounts are reported as contra accounts to accounts receivable. The corporate reserve for bad debts is a percentage of trade receivables based on the bad debts experienced in one or more past years, general economic conditions, the age of the receivables and other factors that indicate the element of uncollectibility in the receivables outstanding at the end of the period.

<F2> See note 1 to consolidated financial statements.
